Now it's your turn to do the Can-Do Statement! The purpose of this activity is for you to try doing the Can-Do Statement using what you've learned and prepared in the previous stages and then to reflect on what you still need to work on to do the Can-Do Statement.

Can-Do Statement:

Part 1: Create

Pick a neighborhood that you know well (your own neighborhood, the neighborhood of a friend or family member, some famous neighborhood, etc.) and, using the video as an example, give a neighborhood tour. First, prepare the sentences you would need to describe this neighborhood.

- Greeting
- Where the neighborhood is
- What is in the neighborhood (restaurants, shops, etc.)
- Description of the neighborhood (calm, busy, crowded, dirty, etc.)
- Conclusion

Then, narrate a video of the neighborhood! You can do a walk through tour or a narrated presentation with pictures on slides - whatever you feel most comfortable with. This presentation can be very casual - have fun with it!

Part 2: Share

In class, share your video with your classmates. Take notes about the neighborhoods they describe in the chart below.
