

Privacy Policy for Schema Markup Extractor

Effective Date: 10 October 2024

Introduction

Thank you for using Schema Markup Extractor. This privacy policy explains how we handle and protect your information when you use our extension.

Information We Collect

- **Active Tab Access:** Our extension accesses the content of the active tab to extract schema markup data. No data is stored, transmitted, or shared with third parties.
- **Usage Data:** We do not collect or store any personal data from users. The extension operates locally on your device.

How We Use Information

- **Schema Analysis:** The information accessed from web pages is used solely for the purpose of extracting and analyzing schema markup data.

Data Sharing and Disclosure

- **No Third-Party Sharing:** We do not share your data with third parties. All data processing occurs on your device.

Data Security

- **Local Operation:** The extension functions entirely within your local browser environment. No schema data is sent externally or stored.

Your Rights

- **No Data Storage:** Since we do not store any user data, there are no data access or deletion requests applicable to this extension.

Changes to This Policy

We may update this privacy policy from time to time. Any changes will be posted on this page with an updated effective date.
