Personal Check in Theme: What has improved in your life this past year?

Updates from the Circles:

- Funding and Admin (FAC)

End of Year Campaign and Celebration

Let's throw a party! Membership, Mentorship and Matchmaking Celebration.

Who wants to be on the 3M Administrative Campaign Committee?

Nikola, Tim, Emily, Krista, Anastasios

Tasks are:

Summary of Accomplishments from 2022

Calendar of Events for EOY 2022 and 2023 Kickoff

2022 Membership Distinction for both DBC Private and APDC Public

2022 Matchmaking Drive for donations, partnerships and scholarships

2023 Mentorship Program recruitment and development

2023 Communication content for updating website, forum & social media

Proposal Clean up, Close out and Co-create

Let's review proposal history, revise status tracking, clear out what's no longer relevant and improve communication flow for next year.

Tasks are:

[Proposal Process](#) - Create simple workflow diagrams

[Proposal Template on DBC Google Drive](#) - move template to Forum

[Proposals Category on DBC Forum](#) - host training & update sessions

Anastasios, Randall, Danibelle

Tim: Welcome package - orientation, training, cultural integration information to get that ready for sharing on our website... requesting support.. Emily is stepping

- Land Stewardship (LSC)

Redesigning the LSC Membership, Leadership, Vision & Goals

What is the purpose of the Land Stewardship Circle?

Tasks are:

Inviting/nominating 1 or 2 reps from each land node that is connected to the DBC for representation in the Circle

Defining a unifying vision and goals of the Circle for 2023

Establishing work groups / sub-circles to plan and perform activities

Current activities are:

Private Trust formation for transition from ownership to stewardship (HOME Farm and Diamante Luz each, through [Private Legacy Advisers](#)).

Six Phases of Land Stewardship - Give people a roadmap of how to perform responsibilities toward eligibility for increasing rights

Root Camp & Immersion: Permaculture & Regenerative Agriculture service exchanges / HotL

Stewarding the Commons - Creating a space for public access on DLuz

- Regenerative Enterprise (REC)

Developing Goals, Budgets and Internships for 2023

Sending DBC Representation to the Regeneration Nation event late Nov.

[Regenerative Business Incubator](#) with Jason & Terra

Bamboo - Mambo 10th, 11th, and 12th of November to harvest at Rama 15, 16, and 17th to harvest at Abundant Eden

BLOCKER: Need transport for tools, people, and harvest

Tasks are:

Dog food - Jeffree - Develop a template for how others could support their needs and their dogs

- Well Beings Circle (WBC)

This Circle is also ripe for reform in 2023.

How can we grow our well being through partnerships with other groups that already specialize in providing these services to the greater community?

Food as Medicine - working group on bringing mobile food services to work teams at our land nodes... Can fluffing be an output of Regenerativity?

Emotional Support - Growing our partnership with Earth Waking Village. DLuz received exceptional service from EW through their Hot Seat Breakthrough process, and provided an exchange day of HotL services this week to balance out the scales.
