

Privacy Policy – DevDesk

DevDesk values your privacy.

- We only request permissions necessary to provide the extension's functionality.
- **Browsing History:** Accessed locally to categorize and display your most recent links on your new tab page.
- **Local Storage:** Used to save your preferences, favorite links, and to-do list on your device.
- No data is transmitted to, stored on, or processed by external servers.
- We do not sell, share, or use your data for advertising.
