

1. As a Firm manager I open "Create View" Page, choose PDF format by clicking on Radio "Format", so that I can set Report View format.
2. As a firm manager I want to set Report View name, so I click Report View name textbox, so I can fill in Report View name.
3. As a Firm manager I want to Create View, so I click button Create View, and if all requirements are valid I will see Report Builder Page
