

F6 Comp!

1. I have no idea why I got the invite to play. Maybe it is because I am a massive meme player and would probably either be a quick boot or someone who will make it all the way to the finale. No in between.

2. "okay
can i be a character from the sopranos?
OH WAIT
IM THE TERMINATOR BABY"

3. frankly i hardly do any orgs anymore so coming back once and a while is a fun experience, definetely makes orgs less stressful when you only have to worry about 1 every quarterish

4. "Do you want to know what my first words were
once Luis came back"

5. I played a decent game and really got taken out too early so trying to get that second chance and show what I can do here. I'll take whatever this game tries to throw at me because I know I have what it takes to win if I get this opportunity.

6. "i dont think so
im playing fiovivor s9 and youre not"

7. "aw man
thats fine though
rip to that last image and the mike/rainbow dash one u were iconic"

8. "but it still bothered me cos i had a good read on the situation
AND WAS GASLIT.
but its ok
still good being right"

9. I do typically find 1-2 people that I'm super loyal too, although, with those past 2 games that didn't really work out

that well for me so maybe I'll give myself a fresh start as to how I'll play here!

10. I'm a raging lesbian but somehow only guys ask me out, but that's okay

11. I'll lie about having advantages and even get on vc if needed to further my lie. I'm here for fun more than anything.

12. "wait
thinking about it he only told me after, and he didn't even included me in the idol searxh
why would i 😭
right
i might tell him if people start targetting me
i have an excuse already prepared anyway"

13. "Oh my god fuck this cast
Oh my god
Tribe of doom and despair
OH MY GOD
WHO TF MADE
THIS TRIBE
Bum tribe"

14. "he was like
my mission is to get him as far in the game as possible
well
that didnt work out for him ig"

15. "I don't know if I should confront Mateo or what
When it comes quas idek what to say
Ig the same thing I asked mateo"

16. "Hurt by what? Did I kill somebody they were close to?"

17. i am only playing this because i was randomly added to a facetime gc with fio and they brought up how they need more women...

18. "also let me just say this now

being drunk and playing orgs is not for the week
that was a horrid idea
i like got calls from the other org i'm in while i was taking
shots with this bear and like drunkenly was just complimenting
everyone and doing what i do best: whore"

19. "Long ass season
Idc what happens as long as ONE PERSON loses
I hope they go home and BURN"

20. "only rich people have some of this shit
you should all draft ME!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!"

21. "Welp we are going to tribal
Let me go put on my social pants"

22. "conf update here
im social gaming on exile
no one thought it was possible
i alr have a trio set up
for the tribe im going to"

23. idc if he doesn't trust me but he is so funny😂

24. "@Henke {S6; S7} die
this is why u lose orgs like fio 7 and kong 19"

25. "but seeing this comp
i wont even have to throw
lets wing it"

26. I am a wild card player meaning I can say I plan on doing
this and this much it could easily just be thrown to the side
and play it how I want to. I love making big moves finding idols
or advantages love it.

27. "what the fuck is this
nicholas craven is too good of a producer to be
working with this cover
good fucking lord"

28. tbh I just met my partner 🕸 but like istg we will be LOCKED IN if cast.

29. "i thought we had omega evil people on the other tribes that were going to kill us
this did not happen"

30. "I have landed.
Mission: Win the award of Fio's Favourite
Progress: Underway..."

31. The target has still not acknowledged the agent but I can make it work

32. "i'm honestly so sick to my stomach
i do feel sad rn
i just don't have any friends left"

33. "idk how to describe it.
liek.
my playstyle is to give myself as much power as possible without acting on it
only make moves when NECESSARY
not just making moves to make moves"

34. I like my new tribe I get to meet people I haven't yet have and I still have imo my closest two allies which is dino and xsoul. I'm happy I didn't get slugger because slugger said he would target me for a nick name I gave him

35. Im glad I get to let loose a bit, fingers crossed that I don't actually flop this time

36. " How do I plan on achieving it by making the name for myself?
I'm making allies really on.
Well, great, you know, that's great."

37. The way I want to make a splash is just being known as someone who won't let other people down, which I feel is EXTREMELY rare in a game like this where the whole point is to

be the sole survivor, someone who is by definition outlasting everyone else

38. i can't speak for his case but for me.. if he gets eliminated pretty early i will still not stop fighting and make sure to win it for the both of us

39. "THE FEELING OF POTENTIALLY BEING AN EASY VOTE OUT
THE POSSIBILITY OF BEING BLINDSIDED HERE
OH THIS RUSH IS AMAZING
I HAVE NEVER FELT MORE ALIVE FIOVIVOR"

40. "betrayal stupidity, naivness
idk those are all the emotions i feel rn"

41. "oh yeah fio if you give another jigsaw puzzle as a challenge
I may quit."

42. 3 idols got used, a block a vote got used, and an extra vote was used annnnd there was this dude who wouldn't get off my dick- oh sorry, that's rude, I mean who wouldn't stop gunning for me

43. What's a rehab vote?

44. They loved Jesus too and they still killed him; We're playing Survivor, not playing favorites!
