

## Welcome to Juab HS School Community Council 2024-2025

*\*Updated August 1, 2024*

The purpose of the Juab High School Community Council is to create a partnership between the school and home. Through community council, elected parents represent parents, and elected school members represent school faculty. Together, this council participates in developing plans for school improvement, making decisions on how to expend School LAND Trust Program funds, and furthering the mission of Juab High School through sharing of information and awareness of program opportunities and related policies.

*All parents are welcome and encouraged to attend any JHS SCC meeting.*
