AHS Summer School - Credit Recovery

Ashland High School offers a summer session for 9-12 grade students to recover credits toward graduation.

If your student received a grade of I or F as a semester grade this year*, or any previous year of high school, they can pick up a HS Summer Session Application from their School Counselor/The Student Services Office. The application requires teacher approval, student & guardian signatures, and an administrator's signature. Once completed, it will be turned in to Ms. Tody in Student Services or Mrs. Prater (rm 212) to register for the summer session.

Dates: June 15th - July 17th
Times: 8:00 - 11:30 am &/or 12:00 - 3:30 pm

Where: Room 212, "The Marina" at AHS

With teacher approval students may:

- Finish an incomplete semester/course
- Retake a credit recovery version of the semester/course
- Make up work to reinstate WIAA eligibility for the Fall of 2026*

Credit is earned by attendance (time) and work completion. Each student's time requirement will be determined by the number of courses they are attempting to complete. The five-week (five days per week) schedule provides enough time for a student to retake two semester-long courses; which is up to 1.0 credit. Students finishing incomplete courses may be able to recover more than 1.0 credit because they are not retaking full semester courses.

*If your student participates in Fall WIAA activities and received a grade of I or F for term 4, and would like to reinstate their WIAA eligibility, they can also pick up a HS Summer School Application from their School Counselor/The Student Services Office.

AHS School Counselors are:
Nancy Larson - Grade 9; nlarson@sdak12.net
