

Secondary Organisation Contract

This form should be completed when an Intermediary Organisation has an affiliation requirement for another organisation (Secondary Organisation) to access disclosures on their behalf. The contract should be completed by the person at the Secondary Organisation who will be responsible for disclosure information (Contact Person). Once completed, it should then be sent to the Intermediary Organisation who will submit the contract to Volunteer Scotland Disclosure Services.

If the Contact Person changes or any amendments need to be made, a new contract should be completed and submitted to the Intermediary Organisation who will then forward it to Volunteer Scotland Disclosure Services.

The Intermediary Organisation should complete Part 6 in full.
