

The Friday Note

09/05/25

Religion

God does not allow problems or difficulties to get in the way of His plan to bless and save His people. He also works for our good, providing for us through others. We learn these important truths as we take a look at two different parts of the account of Joseph in Genesis 39-50.

Memory

Wednesday- My son, if sinners entice you, do not consent. Proverbs 1:10

Thursday- Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you. Ephesians 4:32

The kids have a blue composition book for memory. This week they need to write each Bible verse, its meaning and then draw a picture to help them remember the verse in color. This is due before they say their memory on Thursday.

Reading

We did not have our test today, we needed to slow down a bit and work on some skills. We will have our quiz next Friday over chapters 6-15. The kids have 8 vocabulary words that they are working on. These are tricky words. They should run through them every day.

Social Studies

We are still learning about Ancient Mesopotamia. We are working on note taking and organizing what we learn. Next week, we will learn about Babylon and some of the other Mesopotamian city states. There will be a test on Thursday over Chapter 4.

English

The first writing project went well. Chapter 3 is more review. We will have a test over Chapter 3 on Friday.

Word Study

Unit 4 is up for next week. This list is a mix up of other vowel combination sounds. The test will be on Thursday.

Science

We are learning about erosion and weathering. This chapter has a lot of new vocabulary in it.

Math

5th grade will have a test over Chapter 2 on Friday.

We Sing On Sunday

Pre K - 8th sing at the church service on Sunday morning. We will sing early in the service between the scripture readings. The kids should wear their chapel shirts and sit with parents. Pastor will call them up to sing when it is time.

One Last Thing....

Have a nice weekend. I can't wait for you to hear the kids sing in church on Sunday. They sounded wonderful when we practiced together. Enjoy the weekend!
Blessings!
