Entries: We encourage All freshmen boys to be entered into the freshmen boys race, but email coach Mach if special circumstances (need to complete team scoring, top guy etc.). This will be a unique and fun opportunity for many new runners to race competitively up front, you can see the results from 2019 that show it was a great race and this year will have more teams and more competition. Varsity= 8 max. The 8th runner will not displace. JV/Frosh = unlimited.

Online Registration:

Entries due by Wednesday, September 1st at 12:00 noon. There is a \$50 charge for late entries

Please do not enter athletes that you know will not be competing, there is a \$2 fee per bib so we want to avoid excess costs.

Check in: Pick up timing bibs from PT Timing upon arrival by the finish line. The bibs are disposable so don't need to return after.

T-Shirts/Concessions: Please advise your runners concessions are available, and dri-fit meet t-shirts are for sale for \$15. School names are listed on the back. We will also have a few t-shirts from last year available for \$10.
