Àşę Pan-African Leadership Program Description: Get the power to make things happen and produce change. A place for students to build on culturally-relevant leadership skills, set academic and career goals, connect to their ancestry, and be in community with other Black students. Participants will interact with community leaders, groups, businesses, and resources to aid their individual enrichment!

First-year and transfer students are highly encouraged to apply. Benefits include:

- 8 specialized workshops, through Fall 2018-Spring 2019
