## Current Presentations

The goal of the **Ambassadors Presentations** is to equip the church with answers to relevant questions. This will help the church to thoughtfully engage a culture looking for answers. The topics will range from practical biblical matters to pertinent philosophical questions.

The format of each presentation is cookies, coffee, content, questions. Basically, it's a presentation with refreshments followed by a Q&A. Each presentation lasts about 45 minutes and people are welcome to stay afterwards to ask questions. Childcare is provided upon request 24hrs. in advance (email [HERE](#))
