

Dear Parents and Guardians,

We are excited to welcome you to the 2026-27 school year! All families must complete the online registration (OLR) process through Infinite Campus to ensure their student(s) can participate in the academic year. **OLR will be open from August 1 through August 28, 2026, at 12:00 p.m.**

New this year, we are utilizing an online residency verification tool, which will save time by minimizing the number of documents needed to upload. When families start the registration process, they will first be directed to enter their name, address, and cell phone number. They will then receive an Enrollment Access code that gets entered into Infinite Campus to continue the registration process. Some users may be prompted to upload additional residency documentation to Infinite Campus if additional information is needed.

All forms can be completed online, with the exception of medication drop-off, fee waivers, parent volunteer forms, and FRAM applications.

For in-person assistance, contact your school's main office between 8:00 a.m. and 3:00 p.m., Monday through Thursday. Contact Stormonth Elementary School via phone at 414-247-4102 or email at jwaltenberger@foxbay.org and mdorn@foxbay.org. Contact Bayside Middle School via phone at 414-247-4201 or email at jherbrand@foxbay.org.

Important OLR Steps:

- **All students must have an approved online registration BEFORE they can begin school on September 1, 2026.** Please note that "approved" means the registration has been reviewed and processed by staff, not just submitted online. If registration is not completed and approved by the August 28 deadline, your student(s) **will not** be permitted to attend school until the process is finalized.
- **Families will not be able to view their student(s)'s schedules or classroom teacher assignments until OLR is submitted.** Schedules and teacher assignments will be available to view in Infinite Campus on August 14, **only if registration has been successfully completed and processed.**
- **Yearbook sales occur in the spring.** Stay tuned for more information in February 2027.
