

Girl I Ain't Looking For No Drama
Don't Wanna Take You Home To Mama
Just Wanna Keep It One On One
Yeah Yeah Yeah

I Wanna Get Your Body On Me
And Make You Think Of All Them Bad Dreams
I Heard You Like It Like Madonna
Come And Let Me Set You Free

Cause You Could Be My Dirty Little Secret
Be My Dirty Dealer
Baby Till You Fall Asleep
I Could Put Your Body On The Ceiling
You Don't Need A Reason
Call Me Till Its After 3

I Can Make You Never Wanna Leave
Bring You To Your Knees
Come And Live Your Fantasy
Cause I Could Be Your Dirty Little Secret
Be My Dirty Dealer
You Could Put The X On Me
X On Me

Boy I Know You Wanna Get A Taste
I Know You Wanna See Me Levitate
But When You Come Around
Don't Make Me Wait
You Heard Its Sweeter Than A Lemonade?

Boy I Don't Wanna Be Your One And Only
Cause All They Wanna Do Is Try To Own Me
But You Da One I'm Calling When I'm Lonely
Yeah Yeah Yeah

You Said You Never Had It
Like This With Them Other Girl
That's Why You Wanna
Keep The Business It To Minimal
Could Never Be My Inta Habibi
If You Wanna Get With Me

Then You Can Be My Dirty Little Secret

Be My Dirty Dealer
Baby Till You Fall Asleep
I Could Put Your Body On The Ceiling
You Don't Need A Reason
Call Me Till Its After 3

I Can Make You Never Wanna Leave
Bring You To Your Knees
Come And Live Your Fantasy
Could Be My Dirty Little Secret
Be My Dirty Dealer
You Could Put The X On Me
X On Me

When I See That Big Back
Body On Tik Tok
Call Me Round The Clock
There Will Be No Hesitation
Don't Wanna Misguide Ya
Always On Time Girl
We Don't Need A Label
We Don't Need No Altercation

So Hit Me On My Line Girl
So I Can Be Of Service
I Don't Wanna Lie Girl
It's Better When Your Nervous
Don't Wana Make You Mine
But I Wanna Make A Promise
That If You Wanna That Ecstasy

Cause You Could Be My
You Could Be My

Cause You Could Be My Dirty Little Secret
Be My Dirty Dealer
Baby Till You Fall Asleep
Baby Till You Fall Asleep
I Could Put Your Body On The Ceiling
You Don't Need A Reason
Call Me Till Its After 3

I Can Make You Never Wanna Leave
Bring You To Your Knees

Come And Live Your Fantasy
You Can Be Your Dirty Little Secret
Be My Dirty Dealer
You Could Put The X On Me
X On Me
