

Educational Workshops

As Theatrefest approaches and we get closer to finalizing our programming schedule we will continue to share sneak peaks of what is in store for you. Also, please look for a complete schedule listing that will be appearing on the Theatrefest webpage soon!

Each year's Theatrefest workshops are divided into categories: Acting, Dance, Technical, Directing and Educational. Over the next few newsletters, we will give you a sneak peek of the names and workshop titles that will be presented in each of the categories. Although you won't have a description yet, you can begin imagining what each workshop has in store for you! This newsletter will focus on the Educational workshops. Please see the presenters and workshop titles below.

Be sure to continue to check each TxETA newsletter and our social media pages this summer to see more exciting Theatrefest 2021 presenters!
