- Polished Pink: 3 3/4" x 5"; 2 3/4" x 1/2"

Instructions:

1. Cut two pieces of chipboard to 3 3/4" x 5", and die cut ovals from them both using the oval from the Framed Florets Dies. (Once the first piece is die cut, use it as a guide to help you die cut the second oval in the same place.)
2. Adhere the two pieces together and attach temporarily to the outside of the embossing folder with tape.
3. Emboss the Basic White panel with the embossing folder, using the Base Plate 1, and one Cutting Plate 3.
4. Lightly sponge the center of the Basic White panel (the area that is not embossed), with a small Blending Brush and Balmy Blue Ink.
5. Stamp sentiment using the Stamparatus and Memento Black Ink and stamp the cat and cupcake onto the scrap of Basic White. Color in the cat and cupcake with Stampin' Blends and cut out with Paper Snips.
6. Attach the Basic White panel to the Polished Pink, and adhere both to the card base.
7. Attach the cat image with Stampin' Dimensionals and embellish with the Solid Faceted Gems.
