

# Recovery Friendly Workplaces Toolkit

## Community Resilience Toolkit

Collectively, this toolkit provides a more in-depth view of recovery friendly workplaces. Resources provide national, state, and local information.

**The virtual education that supported this toolkit can be found at this hyperlink.**

## Spotlight:

**UW  
Madison,  
Division of  
Extension,** (a

Great Lakes ROTA-RC partner), is excited to share that Waupaca Foundry has earned the *Recovery Friendly Workplace* recognition! This honor highlights their commitment to fostering a supportive environment for employees in or seeking recovery.

The Great Lakes Rural Opioid Technical Assistance Regional Center (ROTA-RC) is funded by SAMHSA to serve rural areas through technical assistance, education, and outreach. The University of Wisconsin-Madison Extension leads ROTA-RC in partnership with the University of Illinois-Extension, Purdue Extension, Michigan State University Extension, University of Minnesota Extension, and Ohio State University Extension.
