Basic Skills Model of Instruction:

Basic skills support in English Language Arts (ELA) and Mathematics for grades K-5 will be delivered through a blended instructional model, incorporating both “push-in” and “pull-out” approaches as appropriate, based on the nature of the learning activities. The basic skills teacher will collaborate closely with the classroom teacher to provide targeted, supplemental instruction during students’ designated intervention periods. Small group instruction will be offered approximately 2–4 times per week, with frequency determined by individual student needs and grade level.

All Grades 6-8 will receive differentiated instruction through their scheduled “What I Need” period (25 minutes daily) and the scheduled “Intervention” period (52 minutes daily). All students at this grade level will receive opportunities for small group instruction in addition to their core classroom instruction in reading, math and beyond. If your child is participating in Band/Chorus, lessons may be scheduled during WINN and/or Intervention times.

Parents will be notified in writing when their child is identified to receive basic skills services in Grades K-5. At any time, parents in Grades K-5 have the right to decline or discontinue these services by submitting an electronic written request to Mr. Daniel Layton, Chief School Administrator/Principal.

Basic Skills Teachers:

Mrs. Levy - **Grades K-5 - English Language Arts**

Email: vlevy@neptunecityschool.org

Ms. Mulroy - **Grades K-3 - Mathematics**

Email: hmulroy@neptunecityschool.org

Mrs. Meyer - **Grades 4-5 - Mathematics**

Email: lmeyer@neptunecityschool.org

Grade 6:

WIN & Intervention - Mrs. Gunderson and Mr. Willms

Email: cgunderson@neptunecityschool.org, dwillms@neptunecityschool.org

Grade 7.1:

WIN - Mr. Kassin and Mrs. Depietri

Emails: rkassin@neptunecityschool.org, adepietri@neptunecityschool.org

Intervention - Ms. Porter and Ms. O'Brien
