

TERM OF SERVICE

GENERAL :

I will communicate frequently at the end of each phase of the commission to ensure that we reach a product that we are both satisfied with. By reading the following and submitting an order, you agree to the Terms of Service that are written below. Please read through them thoroughly before you decide to hand in a request.

- Please do not reproduce, sell, or claim them as your own, and provide credit to my social media handle when reposting.
- Commissions are not to be used or sold as cryptocurrency, NFT, or A. I training. If you list your commission to be used for commercial use such as streaming or content-making, the price may double up. The listed pricing shown is for non-commercial, personal use.

I will not draw the following:

Mecha, Heavy Armor Furry, NSFW, nudity, Gore, Excessively muscular forms, Replication of another artist's style, Complex buildings/cityscapes

1. It usually takes about 2 weeks to work on the commission.
2. commercial use is +50% from total price, and can change depending on the total price of the order(it is used for commercial and design claim, for example vtuber design or project).
3. Please prepare a reference. (like text description, image, etc)
4. Once the payment has been received, I will begin the sketching process. From there on, I will update you at the end of each stage to confirm whether or not you are happy with the direction of your request.
5. Please note however that once I start to render the artwork to its final stages, you cannot refund or cancel the order.
6. Altercations to the commission can be made in the early stages before I proceed to the final rendering.
7. Any major changes such as a different outfit, pose, background, etc. will result in additional charges or an overall cancellation and refund of the order.
