- Grab your Miracle Set sample pack...we will use samples 1, 3 and 4 tonight and you can use 1, 2, and 4 in the morning!
- **4-in-1 Cleanser**: add some water to your face and get this a little sudsy and work this in! Available in a Normal/Dry formula to pamper skin as it cleanses without drying or a Combination/Oily formula to

remove excess oil for more balanced skin. With twice-daily use, this multitasking cleanser:

- Cleanses – thoroughly cleans skin.
 - Refreshes – immediately refreshes skin.
 - Exfoliates – gently exfoliates.
 - Brightens – leaves skin looking brighter
-
- **Microdermabrasion Set:** This is one of my favs! Anytime my skin looks dry, dull, or old I grab this! It is dermatologist-grade and it would cost \$150-\$200 to have this treatment once at the spa! Our set is \$55!!! It has perfectly-rounded Titanium Dioxide Crystals that buffs away dead dry skin, minimizes pore size and fights fine lines and wrinkles! The second step in the set has calming and soothing properties and is a pore-minimizer that again tightens the pores!
-
- **Hydrogel Eye Patches:** I call these “Cappuccino for your eyes” because they are like coffee for your eyes! Look like little pink rose petals (show them) and I put these under my eyes for 20 minutes in the morning while I’m drinking my coffee or getting ready and they de-puff, de-stress and hydrate under the eyes! 60 patches in the pack
-
- **Volu-Firm Deep Wrinkle Filler:** I put this on half of a line on my hand or forehead and let them see the difference. I call this my botox pen! It is like a shot of botox for your face! It immediately fills in deep wrinkles and because it has retinol it improves the appearance of deep wrinkles over time! 100% of women tested had an improvement in deep wrinkles!
-
- **Replenishing Serum C+E:** This is a supplement and You’ve got to check out the before and after pics from this product on my website! AMAZING! High concentrations of Vitamin C and E. Like Amla Fruit

which is a superfruit and has high levels of antioxidants, vitamins and minerals!

- **Antioxidant Moisturizer**: Re-energizes skin's healthy glow as it boosts hydration for 12 hours.†† The lightweight formula absorbs quickly and leaves skin feeling soft, supple and looking more radiant. It infuses the face and neck with one of two applications of the TimeWise 3D® Complex to help support skin's critical needs. This antioxidant-rich moisturizer helps reduce the look of fine lines and improves skin firmness (in morning put on before daytime defender, at night put on after Nighttime Recovery)
- **DaytimeDefender Sunscreen Broad Spectrum SPF 30**: Helps delay visible signs of skin aging with broad spectrum UVA/UVB protection. This daily skin care essential includes prickly pear extract to help strengthen** skin's moisture barrier, critical for helping keep good things in your skin and bad things out. With another infusion of TimeWise 3D® Complex to protect skin, it helps skin appear more vibrant throughout the day as it improves the look of uneven tone. The quick-absorbing formula reduces the look of fine lines and improves skin's overall appearance.
- **Nighttime Recovery**: Works when skin is most able to rebuild its reserves and recover what can be depleted during the day. Provides an additional antioxidant boost from chamomile extract, an effective nighttime ingredient known to help bring a soothing calm** to skin while you sleep. Wake to skin that looks well-rested and feels renewed as expression lines appear softened and the look of wrinkles is reduced. Special NutriBeads® Duo suspended in the formula feature resveratrol (pearl beads) and a blend of vitamin derivatives (pink beads). These cellulose beads burst when dispensed through the pump to release the ingredients fresh to your skin
- **Age-Minimize 3D Eye Cream**: This is Leslie's #1 fav product because it completely diminished the fine lines around my eyes! Eye

Cream is important because the skin around your eyes is like tissue paper...different than the skin on your face. The skin is thin, delicate, water-based and has very small pores. It needs a different moisturizer than the face. Also featuring the TimeWise 3D® Complex, this eye cream helps improve multiple signs of visible skin aging and fatigue, including fine lines, dullness, firmness and texture.

- It visibly brightens the eye area and provides 12 hours of moisturization.†† Plus, it contains algae extract, which helps prevent undereye puffiness** and helps reduce the pigment that contributes to the look of dark circles.** This quick-absorbing cream means minimal wait time to apply makeup. You'll look more well-rested as the eye area appears revitalized.
- How does your face feel???
- **Miracle Set:** #1 Defends against free radicals that age your skin #2 Delays the look of premature aging #3 Delivers visible improvement of fine lines and wrinkles in just 4 weeks! I have had people tell me I have saved their lips with this set! You will have kissably soft lips and will only need to use the balm every 6-8 hours!
- Talk about the **Repair Set:** If you want to repair already damaged skin this is your set! It is our cadillac of skincare and will not only prevent aging like the Miracle Set does, but will also reverse current damage from the sun, deep lines and wrinkles and sagging skin.

- **Foundation Primer:** Makeup artist secret weapon. Fills in pores and lines to make your foundation go on looking incredibly smooth...like an airbrushed look!
