

# Session 2 Class Descriptions

**Location:** Green Valley Church 3500 Missouri Flat Rd, Placerville, CA 95667

**Day:** Fridays only

**Dates:** October 28th - December 8th

## Foundations Stations (TK-1)

**Description:** Hop aboard and join us as we continue our journey to enrich foundational skills in our youngest little learners. This workshop will focus on Phonological Awareness and Phonics. We will have fun playing with sounds, letters and words while we engage in hands-on multisensory activities to practice these critical pre-reading skills. This workshop will be offered each session and will progress sequentially throughout the year.

**Curriculum:** Heggerty Phonemic Awareness, The Secret Stories, Teacher Generated Materials

**Instructor:** Lisa Planas

**Email:** thesandboxstation@gmail.com

**Dates:** October 28th - December 8th

**OOP/Voucher Cost:** \$95.00

## Wild About Reading (TK-1)

**Description:** Let's go WILD for reading! Each week a new book will be read and explored; books selected will be seasonal, relevant and engaging to our youngest readers. We will focus on a comprehension skill and vocabulary development and then complete an art or a hands-on extension activity to enhance comprehension, connect the concept to the student's own life or the world, and help foster a love of reading while having fun! (The books read in this course will be read aloud to the whole class; students will not be reading the books on their own).

**Curriculum:** Teacher Generated

**Instructor:** Lisa Planas

**Email:** thesandboxstation@gmail.com

**Dates:** October 28th - December 8th

**OOP/Voucher Cost:** \$95.00

## STEAM Challenge (TK-1)

**Description:** Join us for some hands-on exploratory fun that will prepare students for the future in innovative ways! Students will participate in open-ended activities where they can go through the process of defining a problem, brainstorming a possible solution, planning, creating, and then improving on their plan. Students will have the opportunity to work collaboratively with their peers to problem solve while developing skills in Science, Technology, Engineering, Art and Math. Our second session explorations will include shapes, bridges, and buildings.

**Curriculum:** Teacher Generated

**Instructor:** Lisa Planas

**Email:** thesandboxstation@gmail.com

**Dates:** October 28th - December 8th

**OOP/Voucher Cost:** \$95.00

**Materials Fee:** There is an additional \$10 materials fee for this class to be paid via Venmo or cash the first day of class.

### **Storybook STEM (2nd-3rd)**

**Description:** Storybook STEM provides early learners with weekly all-in-one units to cover essential skills in reading comprehension, vocabulary, grammar, math, science, and engineering. Units accompany favorite seasonal children's books, with supplemental STEM challenges for each and differentiated literacy and math options for Second Grade and Third Grade.

**Curriculum:** Teacher Generated

**Instructor:** Elizabeth Bare

**Email:** thelearningadventure@gmail.com

**Dates:** October 28th - December 8th

**OOP/Voucher Cost:** \$95.00

### **Math Mayhem (2nd-5th)**

**Description:** Keep your students learning and diving deep with their math skills through the use of engaging, rigorous, and hands on activities that your students will be sure to love. Each week students will work in teams and small groups to complete math centers that are fun and hands-on! They will be reviewing skills from 2nd and 3rd grade standards as they complete each challenge.
