

Chapter 26: At the Meeting

Questions:

1. Why do the rats have to move in such a hurry?
2. Why would some rats stay behind?
3. How did Mrs. Frisby help the rats?
4. What steps do the rats need to take to make the men who were coming believe they were ordinary rats?

Vocabulary

word	definition	sentence
mechanized (Adj) /'mekənəɪzd/	A mechanized organization or activity uses machines:	"Are you sure about the headlines in the local paper: ' Mechanized Rats Invade Hardware Store'?"
assume (V) /ə'sju:m/	to think that something is likely to be true, although you have no proof	We've got to assume they're from Nimh.
crop (N) /krop/	a plant such as a grain, fruit, or vegetable that is grown in large amounts by farmers	So with luck, we'll have our own first crops this summer and autumn.

MECHANIZED WARFARE

Never assume
anything

**Crop
Farming**
