

Hi, so your character was PKed due to doing two muggins before the 15 min limit stopped. This would classify your char to be a Mugging char.

Here is the first log 2023-11-06 16:22:59 Marv "Peabrain" Murchins tied Asher Smith  
Here is the Location of that happening as well.

This is at far warehouse pretty much outside of the map.

Here is the second log 2023-11-06 16:28:11 Marv "Peabrain" Murchins tied Tyrel "GrimLock" Zynn  
Here is the location of this muggins as well

This is by townhouse tunnel, a completely different side of the map.

Due to these being in different areas of the map and they are not raid I do believe that this is still a mugging char.

If you have clips of these muggings please post them below.
