

Katherine Lane update, 7/14/2021

Hello Ms. Soellner,

Due to COVID, I was home my entire freshman year of college at OU. Despite the circumstances, I still made Dean's List for both semesters and ended up with a GPA of 3.960! I learned to persevere even with all my classes being online, and things are looking up now as I have a move-in date for fall semester 2021! I even have a sophomore year placement within a child development center through the Patton College of Education at OU. Milford Schools taught me how to advocate for myself and be successful in life. Thank you so much again for the scholarship, I really appreciate it.

Warm wishes,
Kate Lane

Attached I have put my first day of freshman year picture from my desk :)
