There was a Ninja Piggy with a ninja piggy life,
he had Ninja Piggy children and a Ninja Piggy wife.

He went about his Ninja piggy days in his Ninja Piggy ways,
drinking Ninja Piggy tea and praying Ninja Piggy prays.

One day Ninja Piggy set off to his Ninja practice place,
to find Ninja Crocodile there, it was a terrible case!

Ninja Crocodile challenged Ninja Piggy to A mega Ninja fight,
whoever wins is the best. That's stupid? Yes.You're right.

Ninja Croc went home and boasted to his family,
but Ninja Piggy didn't cause such a calamity.

The next day they prepared for their Ninja duel,
Croc grew overconfident but- oh, what a fool.

Because when Ninja Croc made a forward dive-
-Ninja Piggy calmly kicked him in the stomach-

And at that, Ninja Crocodile did not survive.
