## 2025-26 TRANSPORTATION

- **Route information will be available by Friday, August 22**, to ensure Durham Transportation Services provides the most complete and up-to-date information. Below are the various channels in which route information can be found:
  - **MISTAR**: This will be the same as always and will contain the most up-to-date information, as per Wayne RESA's routing software.
  - **E-mail**: Durham will be sending out emails this year as the primary method of communicating route information.
- To plan routes that are safe and efficient based on actual student ridership, **we kindly request that parents or guardians register their eligible student(s) for transportation. Please complete this process on or after August 13.** For secondary students who live more than 1.5 miles from their home school and elementary students who live more than one mile from their home school, parents or guardians will now need to register their student(s) for Transportation through the Parent Connect Portal.
  - This Transportation feature **will be added** to the portal, allowing parents or guardians to select either "Yes" or "No" to indicate whether their student(s) will be using school bus transportation or not.
  - ***\*\*PLEASE NOTE\*\* If no selection is made, the selection will automatically default to NO, and your student(s) will not receive a bus route.***
  - If a parent or guardian selects "No" and changes their mind later, they can return to the portal and select "Yes," and we will reinstate transportation for the student(s).
  - Please allow up to 48 hours for this information to be processed for your bus stop location.
- If you have questions about Transportation or need a list of contacts, please visit <https://www.pccsk12.com/departments/student-services/transportation>.

## 2025-26 P-CCS SCHOOL YEAR CALENDAR

- **The 2025-26 calendar can be found here.** Please plan according to this calendar. Any changes will be communicated via the official district website at [www.pccsk12.com](http://www.pccsk12.com). There is an accessible [Google Doc version of the 2025-26 School Year Calendar](#).
- The school start and end times will not change for the 2025-26 school year. **Starkweather Academy's** bell times will not change (9 a.m. to 2:55 p.m., Monday through Friday), and our **Post-secondary Programs (GOALS and Madonna ASD)** will continue to follow the middle school schedule.

Our school start and end times for 2025-26 are:

**P-CEP:** 7:25 a.m. to 2:21 p.m.

**Starkweather Academy:** 9 a.m. to 2:55 p.m.

**Middle School:** 8:15 a.m. to 3:09 p.m.

**Elementary:** 8:55 a.m. to 4:01 p.m.

---

## WORK PERMITS

- If your student is working, they will need to complete a State of Michigan Combined Offer of Employment and Work Permit form **before** their first day of work. These forms can be obtained at the school office or the Board of Education Office (454 S. Harvey St., Plymouth, MI 48170). Please note that the Board of Education Office is closed to the public on Fridays through August. Forms are also available in the mailbox located outside by the main entrance, or on the LEO (Labor

Economic Opportunity) website:

<https://www.michigan.gov/leo/bureaus-agencies/ber/wage-and-hour/work-permits>

- The student needs to complete Section I with their information. The employer will complete section II. Once Sections I and II are complete, the student will return the form to the Board Office or school office, along with a form of identification, to be signed and filed. The list of acceptable forms of identification includes a driver's license, birth certificate, hospital record of birth, school record, certificate of arrival in the U.S., baptismal certificate, or passport. **Please note: the student must be present for the form to be signed.**

---

## **ACTION ITEM FOR FAMILIES: SIGN UP FOR E-NOTIFICATIONS THROUGH THE OFFICIAL P-CCS WEBSITE**

- [Click here](#) to be taken to the All District News and School Calendars page on the official P-CCS website, where you can sign up for automatic news updates to be emailed directly to you as soon as they are published.
  - **FIRST-TIME USERS:** The process is quick and easy; click on the orange bell, then enter your name and email address and select the schools and programs for which you wish to receive e-notifications.
  - If you encounter an error message when attempting to sign up, please email [contact@pccsk12.com](mailto:contact@pccsk12.com) for assistance.

---

## **ACTION ITEM FOR FAMILIES: UPDATE MISTAR PARENT CONNECTION CONTACT INFORMATION**

- Our District is relying more on digital communications than ever before. Please take a moment to update your contact information in MISTAR, especially your family's most current and frequently checked email addresses.
- **Please complete this as soon as possible to ensure that all district and school-related communications are received successfully.**
- If you are a new family in our district for the 2025-26 school year, you will receive your PIN and password via email for MISTAR Parent Connection in mid-August when our rollover process to the 2025-26 school year is complete. If you are a current family with additional students attending P-CCS, your additional student will be added to your existing MISTAR account in mid-August, once our rollover process to the 2025-26 school year is complete.
- MiSTAR Parent Connection is located at <https://sisweb.resa.net/ParentPortal/default.aspx?id=82100>.

## UPDATES FROM THE DIRECTOR OF SCHOOL SAFETY & SECURITY

Plymouth-Canton Community Schools continues to prioritize the safety and security of our students, staff, and visitors. As a district, our goal is to ensure that every student can thrive in a welcoming and safe learning environment. Our district teams embrace a continuous improvement mindset as we all strive to enhance school safety. Last year, P-CCS received an additional \$1.95 million in funding through the State of Michigan School Aid Act, allowing the district to continue making district-wide safety and security improvements. P-CCS will continue to seek grant funding opportunities to enhance school safety in 2025/26. As we continue our work to enhance school safety within our communities, the following are some of the highlights of what P-CCS has accomplished:

- Our fully trained firearms and explosives K-9, Echo, has provided emotional support throughout the district to students and staff while continuing his vital work to detect the presence of firearms and explosives within our schools. This year, Echo was used at several large events, including athletic games and graduation.
- P-CCS continues to train staff on the updated threat assessment response process and procedures following nationally recognized best practices. Building Crisis Response Teams are in place district-wide to support the threat assessment process and provide mental health support.
- Enhancements continue to be made to the district's state-of-the-art Security Operations Center to enhance the capabilities of monitoring surveillance cameras and other security systems installed at every building within the district. This center enables our security team to relay vital, real-time information to our law enforcement and first responder partners during emergency situations. Some of the enhancements include weapon detection systems, gunshot detection, vape detection sensors, and building monitoring capabilities.
- The district continues to utilize a visitor management system to ensure that visitors to our school buildings are checked in and screened before entering the building. Parents are reminded that this system will be fully in place for the start of the 2025/2026 school year.
- An emergency management and mass notification system is in place for all P-CCS employees to access in emergencies. The system enhances P-CCS's mass notification capabilities during emergencies such as a lockdown and will also improve the district's reunification capabilities.
- P-CCS continues to foster cooperative relationships with law enforcement, which include training opportunities, ongoing communication, and a unified approach to responding to incidents that may occur within a P-CCS school.

## P-CCS FOOD AND NUTRITION UPDATES

**Be on the lookout for the status of Healthy School Meals for All in the next couple of months.**

The Nutrition Services Team is working diligently to prepare for the upcoming school year. The menu will feature a renewed focus on delivering fresh, healthy, and delicious options daily. Students can look forward to exciting additions to our menu with on-trend and culturally inclusive global flavors. We are also making great strides in connecting with our local farms and aim to continue featuring more Michigan-grown fruits, vegetables, and legumes.

**Stay tuned for the status of Michigan's Education Omnibus Budget Act.** The district may continue Michigan School Meals in the 2025-26 school year, which means that all meals would be offered at no charge to students. The budget must be finalized by October 1; however, it is expected to be completed by August. We will provide a status update to students in August. Should we return to traditional meal service in the 2025-26 school year, please review the [meal charging policy](#).

The online Nutrition and Education Benefits Application (formerly known as the Free and Reduced Meals Application) will be available for the 2025-26 school year starting August 11. **It is essential to complete the application for each school year, regardless of the state's provision of free meals. The application also supports other funding in areas of education, discounts for pay-to-play, access for computer WiFi, college application fees, and standardized testing fees.**

**How can parents apply for Nutrition and Education Benefits (formerly free and reduced benefits)?**

*After August 11, 2025,* parents can apply online for benefits conveniently. The application from last year cannot be used; families must reapply every school year.

- Nutrition and Education Benefits for the 2025- 26 SY will be available on the P-CCS website under Food and Nutrition Services under the NUTRITION AND EDUCATION BENEFITS tab: <https://www.pccsk12.com/departments/food-nutrition-services>
- The easiest and fastest way for families to submit an application is through MISTAR. The system will automatically guide applicants through the correct application process. Apply at <https://sisweb.resa.net/FSApp/default.aspx?id=82100>.

- You may print and complete a paper application by going to the P-CCS website under Food and Nutrition Services PAPER APPLICATION. These may be submitted to any school, emailed to [Healthy.meals@pccsk12.com](mailto:Healthy.meals@pccsk12.com), or faxed to 734-416-7819.

**Can I make payments to my student's meal account?** A link to make payments and add funds to your student's MISTAR meal account using credit card will be available soon. Please check back shortly for updates.

**How can I view the options available for breakfast and lunch?**

The Nutrition Department has gone digital for menus for all grade levels! The menu is available on <https://nutrition.menulogic-k12.com/#/plymouth-canton-community-schools/calendar>.

## 2020 BOND UPDATES

On March 10, 2020, voters in the P-CCS communities approved the 2020 Bond proposal. This bond addresses facility and site improvements, equity of facilities, enhances safety and security throughout the school district, and includes furniture and playground upgrades, as well as school bus purchases. It also addresses the imminent infrastructure and technology needs at most facilities. The district offered this bond proposal with ZERO INCREASE to the current tax rate. The total cost of the bond issue is \$275 million. **Check out the regularly updated [Bond Updates page](#) via the official district website for more exciting Bond Updates!**

## COMMUNITY FINANCIAL CREDIT UNION FOR STUDENTS

- **Community Financial Credit Union** is proud to partner with the Plymouth-Canton Community Schools to help teach students money management skills through its student-run school credit program. During the school year, student volunteers learn the banking business as credit union tellers, branch managers, marketing representatives, computer operators, and accountants. In addition to the student-run credit unions, Community Financial's Education Partnership Coordinators offer financial presentations on a variety of economic and money management topics. The credit union currently operates 52 student-run credit unions, impacting more than 20,000 elementary, middle, and high school students.

## P-CCS DYNAMIC PLAN 2021-27

- The [P-CCS Dynamic Plan 2021-27](#) is an intentional effort that P-CCS has collaboratively undertaken to provide a roadmap for best serving all students and staff in both the near and long-term future. The construction of the plan involved a diverse group of stakeholders, including the Board of Education, district and building leadership, educators, support staff, community partners, families, and students. The process included stakeholder feedback groups, Board of Education workshops, and several meetings of the Dynamic Plan Steering Committee to examine data, engage in rich discussions, and strategically

set goals — all of which serve as a strong foundation for this Dynamic Plan.
