

Research Network Grant Application 2027

Start of Block: Applicant Information

Q1 As part of our work to encourage and support new and impactful ideas, policy, and research in digital libraries, we are soliciting proposals from library workers, advocates, and researchers who want an opportunity to pursue their boldest questions and ideas. We encourage experimentation and creativity. Read the full request for proposals on our website. Applications will be evaluated on a rolling basis. To ensure consideration, **apply by October 16, 2026.**
