Life Enrichment Scripture:

Genesis 2:18 – "It is not good that the man should be alone; I will make him a helper suitable for him."

Introduction

Women are not an afterthought in God's design, but they are **essential**, **strategic**, and **anointed vessels** in His divine plan.

- How many women are sitting on purpose---but living in hesitation?
- How many have been called by God—but silenced by fear?
- Anointed—but unsure.
- Gifted—but holding back.

- Chosen—but still questioning, ***"Is it really me?"***

Because the truth is—**You can be called and still not be walking in it.**

There are women in the Bible who had everything they needed:

- **Esther had position**—but needed courage.
- **Deborah had wisdom**—but needed to step forward.
- **Mary had favor**—but needed to say YES.

And today, it's no different.

We are living in a time where:

- **Women are gifted**—but doubting.
- **Called**—but distracted.
- **Anointed**—but waiting for permission.

But I came to declare something at the start of this lesson:

God is not waiting on you to be perfect—He's waiting on you to be willing.

There is a calling on your life that is:

- **Bigger than your fear**.
- **Greater than your past**.
- **Stronger than your insecurity**.

And here's the reality:

If you don't walk in your calling, something in the earth goes missing.

- **Somebody doesn't get healed**.
- **Somebody doesn't get encouraged**.
- **Somebody doesn't see the God in you**.

So today is not just another Bible study.

- **This is a wake-up call.**
- **This is a reminder**.
- **This is an activation moment**.

Because before we leave here, every woman should know:

👉 ***"I am called."***
👉 ***"I am equipped."***
👉 ***"And I will walk in what God has placed inside of me."***

1. Women Were Created with Purpose (Not Accident)

- God intentionally created woman.
- She completes what man lacks.
- She reflects God's wisdom and creativity.

Genesis 1:27 – **Male** and **female** created in His image.

👉 **Key Point:**
You cannot fully reflect God's image without recognizing the value of women.

Question:

- What does it mean that both male and female reflect God's image?

2. Women Play Critical Roles in God's Story

God used women in every season—**leaders**, **deliverers**, **prophets**, **mothers**, and **disciples**.

Biblical Examples:

- **Eve** – Mother of all living **(Genesis 3:20)**
- **Deborah** – Judge and leader **(Judges 4:4)**
- **Esther** – Saved a nation **(Esther 4:14)**
- **Mary** – Carried Jesus **(Luke 1:28-31)**
- **Priscilla** – Teacher of the Word **(Acts 18:26)**

👉 **Key Point:**
God doesn't sideline women; he positions them for impact.

Question:

- Which woman in the Bible inspires you most and why?

---

3. Women Are Carriers of Life—Naturally and Spiritually

- Physical life **(motherhood)**
- Spiritual life **(nurturing faith, wisdom, and growth)**

Proverbs 31:26 – "She speaks with wisdom."

👉 **Key Point:**
A godly woman shapes generations.

---

4. Jesus Elevated and Honored Women

In a culture that often-overlooked women, Jesus:

- Spoke with them publicly **(John 4 – Samaritan woman)**
- Defended them **(John 8 – woman caught in adultery)**
- Revealed Himself first after resurrection to a woman **(Matthew 28:1-10)**

👉 **Key Point:**
Jesus restored dignity, value, and voice to women.

Question:

- What does Jesus' treatment of women teach us about how we should treat them today?

---

5. Women Are Essential to the Church Today

- Leaders, teachers, intercessors, servants.
- Builders of families and ministries.

Acts 2:17 – "Your sons and daughters shall prophesy"

👉 **Key Point:**
The church cannot function fully without women walking in their calling.

Life Application

- Honor the women in your life.

- Encourage women to walk in their God-given purpose.
- Reject cultural or spiritual ideas that diminish women.
- Support and uplift women in ministry.

Ask Members:

- Name a woman who impacted your life spiritually.
- Share how her influence shaped your faith.

Memory Scripture

Proverbs 31:30 – "A woman who fears the Lord is to be praised."

Conclusion

God is raising up women in this season who are:

- **Bold in faith**.
- **Strong in character**.
- **Clear in purpose**.
- **Unapologetic in calling**.

The enemy tried to silence women… but God is amplifying their voice!
