Hey Team! Are you struggling with communicating positive news with a Spanish-speaking family? Do you know of a student whose home language is Spanish that deserves a compliment? Fill out this simple form with the student name, your name, and the compliment you want to pass along to parents, and I will make the phone call home for you in Spanish. Calls will be made every week on Friday morning. Please feel free to submit as many compliments as you'd like.

The purpose is to establish a positive connection with our families.

**Some examples can include:**

- \*I saw John helping a buddy during a science experiment.
- \*I noticed that Joe turned in all of his homework this week!
- \*Just wanted to say that Julie really took her time writing great details in an assignment on Tuesday.

**The phone call will sound something like:**

Hi! My name is Mrs. Spina and I'm calling on behalf of Mr/Mrs. \_\_\_\_\_ at \_\_\_\_\_ School. We just wanted to share that we are so proud of \_\_\_\_\_ for \_\_\_\_\_. We wanted to pass on the compliment to you!
