Mobile Meeting Guidelines District 70

Purpose:

To take an AA meeting to a member who is homebound, in the hospital, or nursing home, as a result of a disability or sickness.

To Start Up a Meeting:

A flyer is made up about the meeting with the chairperson's name and phone number. (see enclosed flyer)

Chairperson of the Mobile meeting has a list of volunteers and their phone numbers for night and day meetings.

Flyers are mailed to all the groups in the District and announcements are made at all the meetings.

We had the flyers and our volunteer list out for about 5 months before we got a request for a meeting. It takes time ...and now it's picking up.

A request is made for a Mobile Meeting to the chairperson.

The chairperson calls members on the phone list to dispatch people to the meeting. It could be one person or 5 or more...depending on the facility where the meeting is being held.

The Mobile Meeting is made up of people from many different groups.

We are sending letters to the nursing homes, to inform them about our service. (see the enclosed letter)

WHY WE HAVE A MEETING LIKE THIS...

When people are homebound or sick, sometimes their home group will take a meeting to them once a week. But sometimes, too, the home group loses interest, and the meeting stops. Often the AA member who needs a meeting will not ask for one.

The Mobile Meeting is part of the District 70 service structure. The AA member does not need to feel like it is charity to have a meeting held for them. It is a service for them.

In AA the service is created before the need, so be patient and the meeting will take off.
