Please provide the following details of your project. We recommend max. 1000 characters including spaces for each question.

<p>Please provide a short description of the project (max. 1 000 characters). (In case of winning in this category – this description will be used during the gala evening and in promotion in media, website, and other channels)</p>
<p>1. Provide a brief overview of the ESG-focused project/initiative that your company has implemented</p>
<p>2. What were the main objectives or goals of the project/initiative in terms of addressing environmental, social, and/or governance concerns?</p>
<p>Please select 3-5 questions based on the relevance of your project(s).</p>
<p>3. Environment: Describe the environmental aspects of the project/initiative. How does it contribute to sustainability, reduce carbon footprint, or promote eco-friendly practices within the company and beyond?</p>
<p>4. Social: How does the project/initiative address social issues such as diversity and inclusion, employee well-being, community engagement, or human rights within the business services industry?</p>
<p>5. Governance: Explain how the project/initiative promotes good governance practices within the company, including transparency, accountability, and ethical business conduct.</p>
<p>6. How were stakeholders, including employees, customers, investors, and communities, engaged in the development or implementation of the project/initiative?</p>
<p>7. What measurable outcomes or results have been achieved as a result of the</p>

project/initiative in terms of ESG performance? Provide relevant metrics or key performance indicators (KPIs) that demonstrate impact.

8. Were there any collaborations or partnerships involved in the development or implementation of the ESG-focused project/initiative? If so, describe their role and contribution.

9. How is ESG integrated into the core values, culture, and operations of the company? How does the project/initiative align with broader ESG strategies and goals?

10. How do you plan to sustain the positive impact of the project/initiative in the long term? Discuss any plans for scaling, expanding, or furthering ESG efforts within the company and industry.

Please attach any supporting documentation, such as sustainability reports, ESG performance data, case studies, testimonials, or other relevant materials, that showcase the ESG project/initiative and its impact.
