

# Treva's TOS

# Terms for Stories

## Payment

- I will accept cash through PayPal only.
  - Gift cards such as VISA gift cards, Steam gift cards and Nintendo eShop cards **may** be accepted as an alternative.
  - The following forms of payment are banned:
    - Cryptocurrency and NFTs.
    - deviantART points.
    - Any payments made through CashApp.
- Payment for the story can only be made after the commission is completed to your liking and when you are able to pay.

## Priorities

- One slot per client per opening. I will only take more work once what I owe you is completed.
  - New clients and clients I have worked with previously who I do not owe work for currently will be prioritized.

## When Can You Expect Your Commission?

- Depending on length and motivation, commissions may take anywhere from a month to a year to complete. If you ask for updates, I will provide them as soon as possible.
- If I fail to complete the commission within the allotted time, you are eligible for a refund.
  - You may also choose to cancel the commission and receive a refund. **Do not** feed your incomplete commission to an AI generator. Doing so will result in you being blacklisted.

# **Banned Content (Won't Do!)**

While I am generally open to writing just about anything you may want, there are a few things I will *not* write about. Some of these can be bent for general writing, but some cannot and **I will not allow underage characters under any circumstances.**

## **Characters**

- All public figures - celebrities, politicians, athletes, etc. - and any other real people outside of sonas.
  - To clarify, sonas of storytime animators and content creators are banned.
    - The only exception to this rule would be Proton Jon or any of the other Jons he and his fans have created. Even then, this opportunity would only be offered to Jon himself in the unlikely event it occurs.
  - This also includes blatant parodies of real people. [ex. JibJab and Spitting Image]
- Any canonically underaged characters from any media. **AGE UPS OR CHARACTERS WHO HAVE THE SAME DESIGN REGARDLESS OF AGE ARE NOT ALLOWED.**
- Any V-Tubers.
- Original characters without express permission from their creator(s).
  - Even with permission, *Friday Night Funkin'* and EXE community OCs are not allowed.

## **Topics**

- **Underage characters in TF whatsoever.**
- Age regression.
- Bathroom-related fetishes [ABDL, watersports, etc.]
- Caveman/cavewoman or similar TFs.

- Hate of any variety. [racism, sexism, Nazism, queerphobia, stereotypes, etc.]
  - In a similar vein, no commissions meant to target/demean a specific person will be accepted.

- Male pregnancy/mpreg
- Non-anthropomorphic insects
- Not Safe For Work/NSFW topics.
