5077 祢遠超一切 Above All

称遠超一切 權勢君尊
Above all powers above all kings
称遠超宇宙 眾生受造源頭
Above all nature and all created things
沒有智慧與心思媲美上主
Above all wisdom and all the ways of man
這世界以先主已永在
You were here before the world began

祢遠超一切 國度尊貴
Above all kingdoms above all thrones
祢遠超世上所知驚嘆傳奇
Above all wonders the world has ever known
是我主 勝於一切財寶
Above all wealth and treasures of the earth
沒法計算 祢配所有讚頌
There's no way to measure what you're worth

Chorus

袖受苦 十架顯犧牲
Crucified Laid behind the stone
承受離棄 完全為我捨身
You lived to die Rejected and alone
像花般美 卻甘心遭踐踏
Like a rose trampled on the ground
擔去我罪 仍顧念我
You took the fall and thought of me
是我主
Above all
