

5077 祢遠超一切

Above All

祢遠超一切 權勢君尊

Above all powers above all kings

祢遠超宇宙 眾生受造源頭

Above all nature and all created things

沒有智慧與心思媲美上主

Above all wisdom and all the ways of man

這世界以先主已永在

You were here before the world began

祢遠超一切 國度尊貴

Above all kingdoms above all thrones

祢遠超世上所知驚嘆傳奇

Above all wonders the world has ever known

是我主 勝於一切財寶

Above all wealth and treasures of the earth

沒法計算 祢配所有讚頌

There's no way to measure what you're worth

Chorus

祂受苦 十架顯犧牲

Crucified Laid behind the stone

承受離棄 完全為我捨身

You lived to die Rejected and alone

像花般美 卻甘心遭踐踏

Like a rose trampled on the ground

擔去我罪 仍顧念我

You took the fall and thought of me

是我主

Above all
