Production Log

Date	Pre-production, production or post-production	Description of activities
11/6	Pre production	Researching and figuring out topics we are both interested in and capable of doing
	Pre production	Choosing our topic and creating the outline
	Pre production	Making revisions and fixing things with a more realistic stand point
	production	Filming subject number 3
	production	Filming subject's dad and getting b-roll of both dad and subject
	Post production	Editing interviews and adding b-roll
	Post production	Putting all interviews together and structuring the documentary
	Post production	Adding music and constant power and transitions so video is smooth throughout
