

Barbies Love New York NOT

After banning her fighters from talking to the media after a disastrous Tournament Event, Kylie Jenner decided to open up and let her Stable discuss the UCC XII New York Event. Unfortunately that was before they actually fought and if Kylie knew that they would drop another bomb she might have decided differently. While the Badass Barbies won 5 Tournament titles in the Caribbean, they also failed 5 times and the rest of the stable fell flat on their faces. **Jordyn Jones, Shailene Woodley, Kendall Jenner, Zara Larsson**, and **Hailee Steinfeld** all showed that they have what it takes to fight 4 grueling bouts in a single day but for the remaining Barbies there was a lot of work that needed to be done.

One would figure that with over a month to prepare that Kylie's fighters would be out looking for some Big Apple redemption but after watching the Featherweights drop 4 out of 6 and having the Lightweights lose 3 of the first 4; Kylie again had to get involved. This time a pep talk wasn't going to do it and it took threats of losing jobs to motivate the Barbies. After a 2-7 start they responded by going 13-3 securing the Lightweight, Welterweight, and Heavyweight Titles.

There were no celebrations and in the end the Barbies won 15 fights while painfully losing 10. Besides defending their 3 titles there were some other bright spots. New Barbies **Hailey Baldwin, Megan Fox** and **Pia Mia Perez** all won their Barbie debuts. The 3 wins were a much needed shot in the arm for the lackluster Barbies who lately have been struggling to get back to their previous win totals.

It's not all doom and gloom as 17 Barbie are currently ranked in the top 100 but perfectionist Kylie expects more especially from the 10 fighters who came out on the losing end. Starting with next Month's TKO article, Barbies who fail to win will not be interviewed.

Erin Andrews met each Barbie as they relaxed poolside. All of the Barbies including **Kylie Jenner** and her bestie **Pia Mia Perez** were in need of a relaxing swim to soothe sore muscles and rejuvenate their spirits. Erin decided to interview the fighters by order of ranking. Starting the interviews was Kylie Jenner who is currently the number 1 ranked fighter in the entire UFC. Kylie took a seat across from Erin.

Kylie Jenner UCC Rank #1 Heavyweight Title Holder 23-4
(Defeated **Eugenie Bouchard** – Queens of the Cage – TKO Knees to Face 2nd Round)
Upcoming Fight – Valerie van der Graaf – Centerfold Angels – Title Fight
Erin: Thanks for getting us started. I'm sure you are busy so I'll keep this brief.
Kylie: Please do. I have the Royal Rumble coming up and I need to work on my wrestling moves.
Erin: Sin City Slugfest III was a huge success. Will we see a 4th?
Kylie: As long as you're willing to do the leg work I'll put up the money.
Erin: Let's get to your fight with Eugenie. She's been one of the hottest fighters as of late but you pretty much had your way with her. What was your strategy going into the fight?
Kylie: When you fight a world class Athlete like Eugenie, you have to out smart and out work her because you're not going to out physical her.
Erin: She opened up a cut on your left cheek in the opening seconds. How badly were you hurt?
Kylie: I should have been better prepared. You never want to start a fight out like that but I tied her up and was able to land a few strikes.
Erin: That didn't slow her down and you two traded some big blows,
Kylie: She really wanted to see what I had I guess.

Erin: That wasn't her best move as you slowly took the fight. Did you feel you had the fight in hand by the end of the 1st?
Kylie: Absolutely not. I had a good round but that was just the start. You need to keep up the pressure the whole fight.
Erin: When did you feel you were going to win? She wasn't the same after the stomach claw in the 2nd.
Kylie: She felt that for sure but I think it was my clinching that made the difference. There is no doubt that we'll be fighting again and I'm sure she will be ready.

Shailene Woodley UCC Rank #2 Welterweight Title Holder 23-4
(Defeated **Bella Hadid** – Strikeforce – Unanimous Decision 49-44 50-43 49-44)

Upcoming Fight – Bella Hadid – Strikeforce – Title Fight

Erin: Congratulations on defending your title and becoming the 2nd ranked fighter in the UCC.

Shailene: Thank you, Erin. I've really worked hard to get here.

Erin: This is the 4th time you and Bella have fought for the title. Do you feel you two know everything there is to know about each other?

Shailene: You try to mix it up but our fights alway go back to what we do best. Bella is one of the best clinch fighters alive so used my striking to keep her off of me.

Erin: It was your kicks that really caused the most damage. Is that something you've been working on?

Shailene: I try to be as well rounded as possible and if I feel that using my legs will get me the win then that's what I'll use. Bella is the same and she really doesn't have any weaknesses.

Erin: In the end you landed an amazing 28 kicks, most of them to her legs. Was that part of your strategy?

Shailene: Nobody likes getting kicked in the legs. After a few good strikes Bella was having trouble putting weight on her left leg. She wasn't

the same afterwards but she fought on. Bella is never one to let up no matter how bad she's hurt.

Erin: You'll meet again for the title for the 5th time. Are you expecting anything different from Bella?

Shailene: All I know is that everytime we fight it's a war. Unfortunately we both can't win so I'll do whatever it takes.

Erin: **Kira Kosarin** was .03 point away from getting a title shot If she beats **Belen Rodrigues** she might get a title shot.

Shailene: I've fought both Kira and Belen and they are both incredible. I don't look forward to fighting either of them.

Dove Cameron UCC Rank #8 Lightweight Title Holder 20-5
(Defeated **Jessa Hinton** – Centerfold Angels – KO Head Kick 5th Round)

Upcoming Fight – Jessa Hinton – Centerfold Angels – Title Fight

Erin: The lightweight title bout has been between you and **Jessa Hinton** for the last 3 regular events. Are you getting sick of Jessa?

Dove: God yes. Not only do we fight for the title but we've fought twice in the tournament.

Erin: She really had your number in your first 3 fights but you've come back and won the last 2. I'm sure she'll be looking to get her title back.

Dove: Jessa has 4 losses and all of them are from the Barbies. I beat her twice and Julianne Hough beat her twice. Other than that she's 25-0.

Erin: You used your striking to pretty much dominate the fight leaving Jessa scrambling. What do you feel made the difference?

Dove: I knew that following up was my biggest mistake in my first 3 losses to Jessa. She makes you pay with her counters.

Erin: It was a brutal head kick that left her unconscious in the 5th. Will we see more kicks in the future?

Dove: Ever since the Raccoon stable made fun of my short legs I've been working on my kicking. They'll see what happens when I fight them.

Erin: Now let's talk about your new profession.

Dove: And what would that be?

Erin: Oil wrestling. After you beat **Chloe Moretz** you said that you wanted to get right back and fight again in the oil.

Dove: I think part of it was finally beating Chloe. Slapping her unconscious with my titties was exactly what she deserved.

Erin: You really started something as there is an Oil Wrestling card coming up after the Royal Rumble. Will you be giving Chloe a rematch?

Dove: I'd be happy to beat her again but nobody has heard anything from her lately. Hopefully we've seen the last of her but if she wants another piece of me I'll slap her around the oil pit again. If not I'll gladly take on anyone else.

Zendaya Coleman UCC Rank #10 3rd Ranked Middleweight Contender 20-7
(Defeated **Isla Fisher** – World of Fight – TKO Head Kick 3rd Round)

Upcoming Fight – Zara Larsson – Badass Barbies

Erin: Congratulations on your big win against Isla. She's given you trouble in the past but this time you seemed to have figured her out by using your long legs. Was this something you and your coaches have been working on?

Zendaya: My legs are long just like my girlfriend Alexandra. She's been begging me to use them and we've been working on my high kicks.

Erin: You take fighting advice from Alaxandra?

Zendaya: Why wouldn't I? My Alex has been fighting for many years and is very experienced.

Erin: But her track record isn't all that great.

Zendaya: You better stop right there unless you want to feel what one of my kicks feels like. If you or anyone else like Gena Lee Nolan try and get between Alex and I then there will be hell to pay.

Zara Larsson UCC Rank #11 4th Ranked Middleweight Contender 18-5

(Defeated **Kendall Jenner** – Badass Barbies – Unanimous Decision 49-44 50-43 49-44)

Upcoming Fight – Zendaya Coleman – Badass Barbies

Erin: How does it feel fighting a teammate with so much at stake?

Zara: I don't follow.

Erin: Your fight with Kendall was crucial because the winner would position herself for a possible title shot.

Zara: That's a long way off right now. I've got the Royal Rumble first. That's shaping up to be the biggest event of the year.

Erin: Bigger than winning the tournament?

Zara: Bigger.

Erin: You'll be fighting Zendaya in Ireland and the winner might get a shot at the Middleweight title. Who would you

prefer fighting, **Emma Watson** or **Kaley Cuoco**?

Zara: I have to get by Zendaya first. She's got the reach advantage plus she's an ectomom. Skinny body with no fat

Erin: That's ectomorph not ectomom.

Zara: If I get in close I should beat her plus all she thinks about is her girlfriend. It's Alex this and Alex that all day long. It gets a little old after a while.

Erin: Sounds like there is a little rift between you two.

Zara: Don't get me wrong. I love Zen but when it comes to cage fighting it is every woman for herself and if I can do anything to get her off her game I will.

Erin: Will you resort to dirty tactics?

Zara: Like I said it's every woman for herself and I'm not holding anything back just because Zen is a teammate.

Erin: Good luck in Ireland.

Zara: Luck has nothing to do with it. It takes skill, focus and determination to win and I have all 3 of them.

Miley Cyrus UCC Rank #20 3rd Ranked Featherweight Contender 18-7

(Defeated **Victoria Justice** – Hellfire Girls Club – KO Head Kick 4th Round)

Upcoming Fight – Shanina Shaik – World of Fight

Erin: It must feel good getting a win after fighting 3 tough fights then losing in the Featherweight Swimwear Finals.

Miley: I just have to figure out how to beat **Catrinel Menghia**. If it weren't for that tall Romanian bitch I'd be the top Featherweight.

Erin: **Victoria Justice** has been the hottest Featherweight winning her last 5 plus 12 of her last 13. I'm sure she was looking for some payback after the last time you 2 fought.

Miley: If you're talking about the wedgie I'm sure she was over that a long time ago. It really had nothing to do with me beating her.

Erin: It was a very close fight until you broke it open on the 4th. Was there a moment when you felt the fight went your way?

Miley: Well, neither of us would be considered to be full chested but it still hurts like hell to get kicked in the tits. After the 4th or 5th kicks Victoria dropped her guard. I know it's not considered ladylike fighting but I really don't care. If Victoria doesn't like getting hit in the tits then she should defend them.

Erin: You both were bleeding heavily and it was hard to figure who was winning. Tell us about your big finish.

Miley: Like I said I went hard to the body and Victoria was in trouble. I went for a middle kick and her guard dropped leaving her wide open for a head kick. It landed solid and when she went down I knew she wasn't getting back up.

Erin: Do you think that all of Victoria's recent success can be attributed to her amazing new body?

Miley: I'll admit that when we got in the cage and she pulled off her black camisole that her body was a lot different. She had big biceps and her abs were like washboards.

Erin: That didn't seem to intimidate you as you tied her up in the clinch and even took her down and wrestled on the mat.

Miley: You can't be afraid of every muscle bound woman in the UCC or you'll never get any sleep. Muscles are very important but strength isn't everything. Sometimes skill wins the day over brute strength.

Erin: You'll be fighting World of Fights phenom **Shanina Shaik** in Ireland. How do you prepare for a fighter who is off to such a fast start?

Miley: I'm going to have to look at all of her fights. She really took it to **Olivia Holt** and she never gave her a chance. I'll have something for her but I don't know what that will be at the moment.

Megan Fox UCC Rank #24 5th Ranked Welterweight Contender 17-6
(Defeated **Doutzen Kroes** – World of Fight - KO Uppercut 3rd Round)

Upcoming Fight – Camille Rowe – Centerfold Angels

Erin: It's great to see you back with the Barbies. Were you surprised that Kylie made the trade to get you back?

Megan: You know Strikeforce is a wonderful stable to fight for. They are professional and they take fighting seriously. They stick together and have each other's back. It's great being back but I'll miss Strikeforce.

Erin: You made a big splash by beating one of World of Fights top Welterweights Doutzen Kroes. What stuck out when you were preparing for your fight?

Megan: She's beaten some of the best Welterweights in theUCC. With wins over Bella Hadid, Ellie Goulding, Selena Gomez, Nina Dobrev, Emily VanCamp, and Adriana Lima she is capable of beating anyone. I didn't want to become part of that list.

Erin: Mission accomplished.

Megan: It did go better than expected.

Erin: It ended up being a complete beatdown with you dominating the action from the opening bell.

Megan: All I know is I wanted to go out and prove myself. I knew that once Doutzen gets going she's hard to stop.

Erin: Your striking was on par but your defense was spectacular. Doutzen threw 43 strikes and attempted 15 takedowns but you stuffed all of them while landing most of yours.

Megan: I wish all my fights could go like that but Doutzen was off her game for sure and when we meet again, and I'm sure we will, she'll be better prepared.

Erin: So you're saying she wasn't prepared?

Megan: That's pretty obvious, no?

Erin: What do you expect from Camille Rowe?

Megan: I guess you and Camille will see when they lock the cage doors. I'll be ready.

Selena Gomez UCC Rank #48 11th Ranked Welterweight Contender 15-8

(Defeated **Raquel Pomplun** – Centerfold Angels - Injury Swollen Eye 3rd Round)

Upcoming Fight – Emily VanCamp – World of Fight

Erin: I see you got over your embarrassing first round Tournament loss to Natalie Alyn Lind.

Selena: OMG! I wish I could do an interview without having answer stupid questions about losing to Natalie.

Erin: You have to admit it was a huge upset.

Selena: She beat me so what. It's in the past. I'm a professional and I got over it and so should you.

Erin: Fair enough. You looked back to your old self when you took on Raquel Pomplun.

Selena: Old self? You don't like the new me?

Erin: This is the 2nd time you fought Raquel and the 2nd time you won in the 2nd round.

Selena: The first fight was pretty one sided and I ended up getting a KO. This time she was hurt but she still had a lot left but the ref said that her eye was swollen and she couldn't continue.

Erin: Did you agree with Utada Hikaru's decision?

Selena: Raquel couldn't see anything out of her right eye and that's very dangerous. She tried but just couldn't pick anything up in time and she was going to be seriously injured. I know she wanted to keep going but as much as she wanted to keep going the ref made the right call. Enough about Raquel, she is a loser.

Erin: So how about we talk about your next opponent, Emily VanCamp.

Selena: She's good but I already beat her and like Raquel I'll probably do it again.

Erin: That's a bold prediction.

Selena: I'm sick of being a nice girl. I'm sick of listening to all the whiny little bitches in this league and I'm sick of the Duff sisters.

Erin: Speaking of which, you really put a beating down of Hilary's sister Hailey. You were about as focused as I've seen you in the boxing ring. Was there extra motivation seeing that it was Hilary's sister?

Selena: Absolutely, I only wish it was Hilary.

Erin: So I take it you two are not through with each other?

Selena: There will come a day when we face off and when it happens it will be for all the marbles. It will be a winner take all kind of fight and then we'll be done. We just can't keep going at it like we've been doing.

Erin: I'm glad this will finally be over. You two are completely out of control.

Taylor Swift UCC Rank #52 11th Ranked Heavyweight Contender 17-9
(Defeated **Manuela Arcuri** – Karate Divas – Unanimous Decision 48-46 49-45 49-45)
Upcoming Fight – Hanna-Maria Seppala – Raccoon
Erin: Welcome, Taylor.
Taylor: So good to see you, Erin. I missed you last month.
Erin: That was a little strange but I guess Kylie was upset.
Taylor: You do know that all of the Barbies go all out. It's not like we're trying to lose to piss Kylie off.
Erin: We all know that it's just that some of the efforts are lacking effort and dedication.
Taylor: You really shouldn't speak about something you know nothing about. How many times have you been punched in the face by Hanna-Maria Seppala or Kate Upton? I can't imagine you could take more than one.
Erin: I'm getting paid to interview fighters, not get into the

cage and fight. That's your job not mine.

Taylor: Everyone is getting sick of your attitude pretending that it's so easy. Try getting in the cage with Jasmine Marazita and see how long you last.

Erin: Listen, Taylor. I'm not pretending that I can fight but I know a lot about MMA and that's why Kylie put her trust in me. If I ruffle a few feathers or bruise a few egos then go home and cry to your mother. Can we start over, please?

Taylor: I guess you're not going away.

Erin: After your dismal 2020 you seem to have gotten back on track winning 5 of your last 6 only losing to rookie Sierra Skye-Egan in the last tournament. Do you finally feel like you're back?

Taylor: That was a tough loss. It was a split decision but I easily out hit her by 30 strikes. Fucking Judges.

Erin: How do you feel your fight with Manuela Arcuri went?

Taylor: Any time you get into the cage with a Karate Diva you know it's going to be a battle and Manuela is one of their best. She's strong and has one punch KO power. You can't let your guard down for one second or she can end your night.

Erin: It went the distance and in the end you out hit her and had her pulped up and bleeding. Do you feel that the sight of all of that blood may have swayed the judges?

Taylor: You would hope not but I out punched her 4 to 1 and landed 17 kicks. By the end of the fight she was in a lot of pain.

Erin: You get Hanna-Maria Seppala in Ireland. Will you be looking for some revenge after she knocked you clean out with a single punch back at UCC IX in South Korea?

Taylor: I'll be more cautious that's for sure. Hopefully I'll come out on top.

Jordyn Jones UCC Rank #54 13th Ranked Welterweight Contender 9-1
(Defeated **Adriana Lima** – World of Fight – KO Hair Pull 5th Round)
Upcoming Fight – Cecilia Rodriguez – Queens of the Cage
Erin: Congratulations on your big win. How does it feel getting 10 fights under your belt?
Jordyn: It's been a blur. It seems like only yesterday when I beat Paris Hilton in Seoul.
Erin: But then you followed it up with a bitter loss to Tracey Bregman.
Jordyn: That was a very painful lesson. Tracey is one of the old, and I mean old, Veterans and she almost choked me out for good. I took that loss and learned from my mistakes. Losing to a dusty old fossil was embarrassing.
Erin: You've won your last 8 fights including a win over Tracey where you turned the tables and choked her out.
Jordyn: A lot of critics think I went into that fight looking to choke her out. That's not the case. She was actually out on her feet but she wouldn't quit so I had to choke her out or risk breaking my knuckles.
Erin: You've beaten some quality opponents lately. Chloe Bennet, Camille Rowe and Adriana Lima have all been in the top 5.
Jordyn: It just keeps getting harder but I know that.

Erin: Adriana Lima held nothing back and the two of you pretty much threw down for 5 rounds. How do you keep going when your opponent isn't letting up?

Jordyn: I thought Chloe was a hard body but Adriana is solid. You hit her in the abs and your fists just bounce off. She made me work but no matter how hard I hit her she would stop.

Erin: You both were in bad shape but neither of you were about to give. Is that why you switched tactics towards the end?

Jordyn: I knew it was a close fight for sure and you never know what the Judges see. Unfortunately they tend to favor the old ladies in this league and us Rookies have to go above and beyond to get a decision.

Erin: Adriana looked to end the fight exploding with a flurry of hooks and body shots and it looked like you were on your way out. Was grabbing her hair done more on instincts or were you looking to maybe throw her to the mat?

Jordyn: When you fight for over 20 minutes you just go by instinct. Your corner is screaming at you to do this and do that but when you're fighting for your life you just go with what you think will work.

Erin: It officially went down as a win by Hair Pull.

Jordyn: I'll take a win anyway I can get it. I think she just had enough, I was a bit surprised that she didn't get up but both of us were in bad shape.

Erin: You'll be fighting Queens of the Cage Cecelia Rodriguez in Ireland. Any early thoughts?

Jordyn: Cecilia scares me. Her and her sister Belen are meanies but I'll do my best as always.

Sofia Richie UCC Rank #66 14th Ranked Middleweight Contender 10-5
(Defeated **Tiffany Toth** – Centerfold Angels – KO Superman Punch 3rd Round)
Upcoming Fight – Kimberly Phillips – Centerfold Angels
Erin: Hey Soph's. Since losing your Barbie debut to **Debby Ryan**, you've won 9 fights while only losing 3. Do you take offense when rookies **Nadyasonika, Flavia Cacace, Alison Waite**, and **Shanina Shaik** get all the headlines while you're hardly mentioned as one of the top rookies?
Sofia: Actually I'm no longer a rookie but yes, it tends to motivate you especially after I beat **Emma Watson** who at the time was the top fighter in the UCC and Nadyasonika brushes it off like she could have done it.
Erin: You've clearly accomplished more than her so I wouldn't let her get to you although your tournament run came to an end after being crushed by Flavia. Is she the top rookie?
Sofia: Are we here to talk about my fight in New York or talk about another rookie? Flavia is amazing and kicked my ass. She kicked everyone's ass.
Erin: So you don't want to talk about Flavia? Let's get to Tiffany.
Sofia: Lets. Tiffany Toth may look like a typical blonde bimbo. Big fake tits, a round ass, long legs and big blue eyes, long blonde flowing hair.

Hell, she even paints her toenails but that's just an act. Tiffany is a very dangerous cage fighter and if you're not careful can beat you down in many different ways.
Erin: It was a really close fight and most had Tiffany ahead on the scorecard after winning the 1st round. When you're in a close fight how important is it to keep your focus?
Sofia: Like I said, Tiffany can fight you anywhere so she will be in most fights.
Erin: Early in the 2nd she used a Judo throw and sent you flying across the cage. When you hit the ground it looked like you were holding your side doubled over in agony. How badly were you hurt?
Sofia: I landed flat on my back and it knocked the air out of me. It took a few seconds to catch my breath.
Erin: Tiffany went for a stripping submission but you were able to get a hold of your top in time. She clawed you between your legs and tried an armbar but you were able to fight her off and make it back to your feet. What goes through your mind when you were that close to losing a fight?
Sofia: When you are cage fighting you do whatever it takes to survive. Once I got back to my feet I knew I had to get back in the fight.
Erin: You took offense to a wicked punch to your breasts. Isn't that just part of fighting in the UCC? I can't count how many times the breasts are targeted in each fight.
Sofia: It wasn't so much that she pissed me off. It was more that I saw an opening and launched a Superman punch. She may have been off balance at the moment but it hit her square in the nose and she was out before she hit the ground.
Erin: You'll be fighting Tiffany's teammate Kimberly Phillips in Ireland and she will no doubt have the crowd behind her. How hard is it to fight when you're getting booed?
Sofia: Once they lock the cage door all of that disappears and it's just you and your opponent.

Ashley Benson UCC Rank #198 40th Ranked Lightweight Contender 9-10
(Defeated **Arianny Celeste** – Udder Destruction – TKO Knees to Face 3rd Round)
Upcoming Fight – Kate Bock – Death by Bikini
Erin: Welcome, Ashley.
Ashley: Hey, Erin.
Erin: How are you enjoying being on the Badass Barbies?
Ashley: It's been an amazing journey.
Erin: You seem to be handling the pressure and your 7-3 record since joining is one of the best on the Stable. Where do you see yourself going forward?
Ashley: Kylie puts a ton of pressure on all of her fighters but winning isn't what she's all about. Of course she leads by example seeing that she's the top bitch in the UCC but as all she is looking for is that you be prepared and give it your best effort. If you do that the wins will come.

Erin: Do you miss your old Stable?
Ashley: I do. I still have a lot of close friends over there. Minka Kelly, Laura Vandervoort, Danielle Campbell, Jessica Lowdes, and Michelle Keegan are the best. I miss them. Vassago is also great to work for. He just kind of lets you do whatever you want and doesn't get too involved.
Erin: Maybe that's why his stable is struggling.
Ashley: Maybe. I was 1-8 on Vassago and I do like winning a lot better.
Erin: Arianny Celeste is hovering around the 500 mark winning a few then losing a few. How hard is it to prepare for a fighter who is hot and cold?
Ashley: I guess you just hope to catch her on one of her losing streaks.
Erin: You lost to her in your first meeting but a lot has changed since then. What did you do differently this time?
Ashley: Back in Sydney, she locked me up in a Muay Thai clinch and I couldn't break free. She started kneeing me and it only took her 1 minute to knock me out. Of course I didn't want a repeat of that beating.
Erin: This time you used your punches to wear her down then tied her up and got the better of the clinch. Was payback on your mind when you started kneeing her in the face?
Ashley: Payback isn't part of my game. I just go out and give it everything I have. I'll do the same against Kate Bock.

Paris Berelc UCC Rank #232 45th Ranked Lightweight Contender 5-4
(Defeated **Xenia Deli** – Queens of the Cage – Injury Broken Cheekbone 1st Round)

Upcoming Fight – Lily Aldridge – Death by Bikini

Erin: Welcome, Paris. I'm going to get right to the point. You've shown some positive signs but haven't followed it up. You win then lose, then win another then lose again. What are you doing to get more consistent?

Paris: Thanks for bringing that up. It's not like I win and let it get to my head. I go out and try to win every fight. It's not easy. If it were easy then every celebrity would be in the UCC.

Erin: You did look good against Xenia Deli.

Paris: Xenia is another Queen of the Cage fighter that just keeps coming after you. I'm not sure what they do over there but all of their fighters are tough fighters who never back down.

Erin: It quickly became a ground fight where you two swapped submission attempts. Did she catch you off guard?

Paris: Ever since I went and trained with the lovely ladies over at In Your Face Bitches, I've been able to hold my own on the mat. **Courtney Cox** not only showed me how to apply submissions but how to get out of them. She's the best and I'd love to go back and learn some more.

Erin: After a combined 7 attempts you tied her up and used some clinch striking which she had no answers for. Did you feel that sooner or later one of you would get caught in a submission?

Paris: Submissions are tricky and if you get a tight one early in a fight you can lock it up and get a win but the longer the fight goes the sweatier the fighters get and the chances of getting anything other than a choke is difficult at best.

Erin: I take it you didn't want to press your luck seeing that she went after your legs and almost made you tap a couple of times.

Paris: Leg spreads can be painful but I'm extremely flexible but the leg locks hurt like a bitch.

Erin: You'll be fighting Lily Aldridge from Death by Bikini. Will you be wearing a bikini for the fight?

Paris: Maybe but I'm sure Lily will be wearing one.

Pia Mia Perez UCC Rank #278 50yh Ranked Featherweight Contender 8-9
(Defeated **Momo** – Idols – KO Head Kick 1st Round)
Upcoming Fight – Joey King - Strikeforce

Erin: Welcome to the Badass Barbies.

Pia Mia: Thanks, Erin, Right?

Erin: That was an awesome win seeing that you only had a few weeks in the Barbie camp.

Pia Mia: But I trained at Strikeforce first. They have a joint training agreement with the Barbies so we are both getting the best training possible.

Erin: Are you going to miss being on Strikeforce?

Pia Mia: Of course. The Boss is the best and even though I threw myself at him many times he remained professional.

Erin: He is married to Blake Lively afterall.

Pia Mia: Lucky her.

Erin: Momo from the Idols had a nice 3 fight win streak heading into the fight.

Pia Mia: Actually she lost to Jisoo in the tournament but she has been fighting well lately.

Erin: You came out fast and were all over her never giving her a chance to get anything going. Is going all out at the beginning of a fight your strategy?

Pia Mia: Nerves. I was so nervous that once the bell rang I went all out. I had her in trouble when she took me down. That's not my game so I did everything to get back up. Once on my feet I just let my fists fly and knocked her out with a head kick.

Erin: Will you come out the same against Joey King?

Pia Mia: I think this one will be a bit personal. I heard that Joey wasn't all that pleased to be traded after 1 fight. That will make it her 3rd stable and rumors are going around that she could be a troublemaker. I know her a little bit and she is a sweetheart and I just don't see what the media is talking about. All I know is she is a very dangerous fighter.

Hailey Baldwin UCC Rank #565 101st Ranked Middleweight Contender 4-11
(Defeated **Laura Vandervoort** – Vassago – Stripping Submission 1st Round)
Next Opponent – Ruhi Singh – Club Bad
Erin: Welcome, Hailey. So glad to see you finally get a win.
Hailey: You have no idea how frustrating it has been.
Erin: Especially when all of your teammates on Strikeforce have been doing really well.
Hailey: It's hard watching everyone else win. Don't get me wrong, I'm there cheering them on every step of the way and they do the same for me but I was wondering if I had what it takes.
Erin: Physically you look like you should be swimming. Do you think it may be a lack of confidence?
Hailey: I feel like I'm going to win but once the fights start it quickly falls apart.

Erin: You looked great in your Barbie debut. Laura Vandervoort is in the same situation as you. Lots of talent but not able to put it together.
Hailey: Laura can be intimidating. She was a betting favorite but I knew if I didn't let her dictate the action I could do well and land some strikes.
Erin: She did come out fast but you didn't back down and started landing some damaging shots. Less than 1 minute in and she was on borrowed time. When you have an opponent beat right away do you look to finish her off or hold back and see if she has anything left?
Hailey: When I connected with a roundhouse I knew I had her staggered. Sometimes you can hide it but when your legs give out it's a clear sign you're hurt.
Erin: You ended the fight by ripping off her top. Was that a pre planned move or just a spur of the moment attack?
Hailey: All I know is I wanted to end the fight as quickly as possible. Ripping off her top was the easiest way.
Erin: You will be fighting Ruhi Singh from Club Bad. What do you know about her?
Hailey: Ruhi and I have fought twice and she's won both times. Our first fight was as close as it got and she edged me out by a decision. I was behind for most of the fight but came back in the end but it wasn't enough. The next time we fought it was all Ruhi. She punched my lights out and kicked me so hard I thought she broke my leg. I made it into the 3rd round before she forced me tap out to a perfect americana.
Erin: What will you be doing differently this time?
Hailey: I'm sure they will have a better strategy this time.

LOSERS

Julianne Hough UCC Rank #19 4th Ranked Lightweight Contender 21-7
(Lost to **Lais Ribiero** – Death by Bikini – Armbar Submission 4th Round)
Next Opponent – Lais Ribeiro - Death by Bikini
Erin:We're going to start the second part of my interviews with Julianne Hough. Jules, rough fight against Lais.
Julianne: Lais was on her game. Nothing I tried seemed to work.
Erin: That was her 5th win in a row and your 2nd loss in a row. Actually you're lucky it wasn't your 3rd loss as Hunter King gave you a really tough fight. Is there something wrong?
Julianne: I'm fine, trust me. I'll get another shot at Lais and we'll go from there.
Erin: Let's hope so. With all the turmoil on the Barbies it seems that nothing is set in stone.
Julianne: Are you saying that I'm in trouble?
Erin: How hard is it to go to the gym without your bff Nina Dobrev?
Julianne: Nina and I have been training together for years. We will still train together but I'll miss not having her on the Barbies.

Hailee Steinfeld UCC Rank #21 6th Ranked Heavyweight Contender 18-6

(Lost to **Valerie van der Graaf** – Centerfold Angels – Headscissor Submission 2nd Round)

Next Opponent – Ella Yelich-O'Connor - Amped

Erin: So sorry it didn't go your way against Valerie. Everyone knew how much it meant to you.

Hailee: I really felt I had a good shot at fighting Kylie for the title but Valerie fought a really good fight and had my number.

Erin: You came into the fight with a 7 fight win streak and a Denim title but Valerie had also won her tournament so something had to give.

Hailee: I believe that Valerie has won all four of her Lingerie Tournament so that's a given. I believe she's the only fighter to do that.

Erin: Her teammate Jessa Hinton has also won 4 Tournaments,

Hailee: Whatever, all I know is that I almost broke her nose and had her reeling then she knees me in the privates. I never recovered after that and Valerie took over from there.

Erin: It got a little nasty at the end. Are you going to be alright?

Hailee: Nobody wants to be submitted, especially to a head scissors. I knew she had strong legs and once she started applying pressure I couldn't take it and tapped out. It was a humiliating way to lose.

Kendall Jenner UCC Rank #27 7th Ranked Middleweight Contender 18-7

(Lost to **Zara Larsson** – Badass Barbies – Unanimous Decision 43-50 44-49 43-49)

Next Opponent – Gigi Hadid - Strikeforce

Erin: Kenny, when you fight a teammate, how do you go about training?

Kendall: I hate fighting teammates. You train with them for years and then you have to get in the cage and try and show them something new but chances are they know you as well as you know yourself.

Erin: Zara obviously knew you all too well and it got ugly from the start.

Kendall: I'll give Zara all the credit. She beat my ass, no doubt about it. I don't think the Judges awarded me a single round and the last to had to be 10-8 in her favor.

Erin: You both kept it fairly clean and refrained from using dirty tactics. Was that hard seeing that you have a reputation for being cheap?

Kendall: I'm not cheap and I only fight dirty if my opponent starts something.

Erin: You'll be fighting your best friend Gigi Hadid in Ireland. This will be your first fight in the cage but I take it you two have gone at it before.

Kendall: Gigi, Bella, Kylie, Hailey, and I are always testing each other. It's all in good fun and never in public but we do wrestle each other

especially when we vacation together.

Erin: They lock the 5 of you in a cage. Who is the last woman standing?

Kendall: That's a tough one but as much as I love my little sister Kylie, Bella Hadid is winning. Once Bella gets that look nobody is beating her.

Erin: So you wrestle while on vacation?

Kendall: Of course, how else are we going to keep our edge.

Cara Delevingne UCC Rank #40 5th Ranked Featherweight Contender 19-9

(Lost to **Mila Kunis** – World of Fight – KO Punch 3rd Round)

Next Opponent – Shanina Shaik – World of Fight

Erin: Welcome, Cara. I wish we were talking about your win over Mila but she had other ideas.

Cara: Me too. I really felt it was my fight to win. Don't get me wrong, it was close and we both had our moments but I felt that I was starting to take over and get the better of each exchange.

Erin: Until.

Cara: Until I pressed the action a little too far and got countered. I thought she was done and went in

to finish her when she blasted me with a right that stopped me in my tracks. The next thing I remember is hearing the crowd scream and the medical team asking me if I was OK,

Erin: Were you OK?

Cara: Not at the time but getting knocked out is never fun.

Erin: You'll be fighting rookie sensation Shanina Shaik in Dublin. What is your take on Shanina?

Cara: I saw first hand what she did to Olivia Holt and it was a complete drubbing. Hopefully I'll be able to use my reach to keep her at a distance. I guess we'll see how it goes.

Madison Beer UCC Rank #51 10th Ranked Lightweight Contender 16-7
(Lost to **Elisabetta Gregoraci** – *Karate Divas - KO Punches 5th Round*)
Next Opponent – Sky Ferreira - Amped
Erin: I am starting to sound like a broken record but are you going to be OK? Elisabetta really beat you up.
Madison: I hate fights like that. It's not the losing that sucks ass it's not being able to figure out your opponent.
Erin: You almost made it to a decision but Elisabetta was relentless and never let up. Were there any moments where you thought you might get back into the fight?
Madison: I landed some strikes but she never allowed me to string anything together.
Erin: Her punches kept landing but most of her damage was done with her legs. Is this something you can work on for future fights?
Madison: Blocking kicks? Everyone knows how to block kicks. It is just when talented fighters like Elisabetta are good at mixing it up.

Erin: She opened you up early and you were leaking a lot of blood on the canvas. How hard is it to keep fighting knowing that you are bleeding all over the cage?
Madison: To be honest it looks a lot worse than it really is. Unless you get cut over your eye and you can't see or you break your nose and your eye starts swelling shut it's all cosmetic and you fight through it.
Erin: Do you feel that the judges are persuaded by the sight of blood?
Madison: Absolutely, they're not supposed to but if they see a fighter covered in blood they tend to take points away.
Erin: It doesn't get any easier in Ireland when you will be fighting Sky Ferreira. How hard is it to rebound when you have to fight a talented fighter like Sky?
Madison: There aren't any free passes in the UCC. We'll both train our asses off and go in there and give it our best.

Olivia Holt UCC Rank #75 11th Ranked Featherweight Contender 15-7
(Lost to **Shanina Shaik** – *World of Fight – KO Punches 1st Round*)
Next Opponent – Natalie Portman – World of Fight
Erin: How is it fighting a rookie like Shanina?
Olivia: Shanina is amazing. Her fists are so fast that you have trouble picking them up until it's too late.
Erin: There isn't a lot of tape on Shanina as she's been winning her fights early with the last 5 lasting a total of 22 minutes. How do you prepare for a fighter who comes out fast?
Olivia: I really planned on taking it slow and getting my timing down but she took me down and we rolled on the mat for a minute until the ref stood us up.
Erin: You square up and both miss some big shots then Shanina just explodes on you and it only took 4 punches to knock you out. Did you see any of them coming?
Olivia: Maybe the first one but after that the punches rained down so fast it was a blur.
Erin: You'll look to break your losing streak when you fight World of Fights Natalie Portman. What can you tell us about Natalie?
Olivia: She's 9-2 in her last 11 fights. She's really hard to beat lately and

I'm struggling. It will be a test but I'll be ready.

Kristen Stewart UCC Rank #119 31st Ranked Lightweight Contender 12-8
(Lost to **Ashley Tisdale** – *Strikeforce – KO Head Kick 2nd Round*)
Next Opponent – Hunter King – The Hot and the Dangerous
Erin: Welcome, Kristen. How are you doing?
Kristen: Great. I'm always great and have a smile on my face.
Erin: You had to feel confident getting in the cage with Ashley Tisdale seeing that she lost her last 5 fights. Did it come as a shock that she was so focused and on point?
Kristen: I know Ashley and while we don't hang she's still pretty cool. I know she was extremely upset that she was traded and was looking to shove it in Kylie's face.
Erin: I guess you fought her at the wrong time.
Kristen: Ashley is a good fighter and she'll win a ton of fights for the Boss. Maybe a change of scenery will do her good. Who knows?
Erin: You get to fight Badass Barbie enemy #1 Hunter King in Ireland. Is there added pressure fighting Hunter after the Joey King fiasco?
Kristen: I'm not sure what actually happened with Joey's release. I kind of thought she was cool and was always goofing around. I guess she has this dark side. All I know is that it was a mess. As for Hunter I'll give her my best and hopefully come away with a win.

Erin: Now the million dollar question. How does it feel having a slave for a week?
Kristen: Why in the hell would I have a slave. This is 2021, Erin and slavery has been abolished for over 155 years.

Bella Thorne UCC Rank #169 34th Ranked Middleweight Contender 10-9

(Lost to **Hilary Duff** – Awesome Aries – KO Spinning Back Fist 4th Round)

Next Opponent – Charli Aitchison - Amped

Erin: Bella, how are you doing?

Bella: I could be better. I had a nice 4 fight win streak going until Irina Shayk punched my tits flat then I lost to Hilary Duff. I was kicking Hilary's ass all around the cage and she sneaks in a spinning back fist and wins by KO. She got fucking lucky and if I ever fight her again I'm not letting her off and will beat her down. That's a promise.

Erin: Something tells me that;s not everything.

Bella: Fuck OnlyFans. For some stupis reason they decided to take adult content off of their site. What a bunch of idiots. Do they realize that over 80% of their content is explicit coils go down as one of the worst business decisions in history.

Erin: Kind of like the “New Coke”.

Bella: I've never done drugs so I wouldn't know anything about cocaine.

Erin: It's Coke, the soft drink. They changed the recipe and. Well never mind. You'll fight Charlie XCX in Ireland. Any thoughts?

Bella: All I know is I need a win to get to 10-10. After that I'll make a run.

Vanessa Hudgens UCC Rank #174 30th Ranked Featherweight Contender 11-10

(Lost to **Sana** – Idols – Injury swollen Eye 3rd Round)

Next Opponent – Anna Kendrick - Strikeforce

Erin: Vanressa, you've had a rough spell lately both in and out of the cage. Do you think your big mouth is getting you in trouble?

Vanessa: It's not all bad. I'm 8-4 in my last 12 fights.

Erin: But you lost your last 2 fights. A 1st round KO from Shanina Shaik and a one-sided loss to Sana in New York.

Vanessa: I'll rebound and start winning again.

Erin: You foolishly challenged Dove Cameron to a boxing match and she literally beat you in less than a minute. Do you think it was a good decision to challenge the Lightweight Champion?

Vanessa: Probably not but at the time she pissed me off and deserved a beating. Unfortunately she's a lot tougher than she looks.

Erin: You've been spending a lot of time on The Power Princess with Hayden. Do you feel that your lack of training may be affecting your performance in the cage?

Vanessa: How do you know I'm not training on The Power Princess.

Kelly Berglund UCC Rank #212 38th Ranked Featherweight Contender 5-4

(Lost to **Karreuche Tran** – Strikeforce – Unanimous Decision 46-49 46-48 46-48)

Next Opponent – Rina Grishina – Queens of Pain

Erin: Kelli, you came up short in your last 2 fights losing to your hated rival **Victoria Justice** for the Featherweight Bikini Belt then went into the 5th round in a dead heat against Karrueche Tran and ended up getting outworked by the Strikeforce standout. A couple of wins would have put you at 7-2 instead of 5-4. What could you have done differently?

Kelli: All I know is I give it everything I have. Both Victoria and Karrueche are Prospects and have been in a lot more fights than me but I'm getting better.

Erin: Next up will be fighting a very tough opponent from Queens of Pain. Rina Grishina is 4-nd has won by KO, submission, and a couple of injuries. How will you prepare for someone who is so versatile?

Kelli: It's not going to be easy as her clinch is also good. My best strategy is to go in the cage and not let her fight where she wants to fight. I'm a good stiker so I'll try that first and see.

Erin: I heard rumors that there might be some more **Bratz** on the practice squad. Will we be seeing any of them?

Kelli: Sofia Carson and Sabrina Carpenter have been visiting and hopefully Kylie will make them offers.

Erin: I thought that the Practice Squad was limited to 5 fighters and that Becky Gomez, Katherine McNamara, Samara Weaving, Madelaine Petsch, and Cassie Ventura were officially on the squad.

Kelli: Officially they are protected but there are always new faces in the Barbie gym so you never know.
