Website Posting: Math Corps

The following template can used to post Math Corps positions on your school or district's website. We recommend adding the posting to your volunteer or employment section.

Instructions:

1. Copy and paste text from this document into your website posting.
2. Edit the highlighted field to represent your site.
3. Visit the application portal and search for your school. Then copy the unique URL and paste it into the template at the bottom.

Positions Title: Math Tutor

Make a difference in your community and join our team as Math Corps Tutor. <Site Name> is looking for tutors to help students build essential math skills.

Math Tutors meet in small groups with students in elementary or middle school and provide extra practice and skill building to help students improve core math skills. With great training and on-site coaching, we'll prepare you to help kids succeed.

This is an AmeriCorps member position with Math Corps. Together we're on a mission to help students build a strong foundation with math because math multiplies a student's future opportunities!

Perks as A Tutor

- Paycheck every two weeks
- Up to an additional $5,100 for college tuition or student loans. (Tutors 55 and older may gift the award to their child, grandchild, stepchild or foster child.)
- Child care assistance (based on family size and income)
- Federal student loan forbearance and interest repayment
- Predictable schedule – daytime hours with no evenings or weekends
- Time off over most school release days and summer
