

Psychology Fair
Student Handout 11: Group Division of Labor

Directions: Please show how your group divides the following tasks necessary for success at the psychology fair. You should keep this as an on-going working document. After the fair, each student will write an assessment of how the group worked together and how responsibility was divided among group members.

Review of the literature on your topic (SH 13): Jessica, Jacob, and Lisette

Rough draft (SH 18): Jacob

Creation of activities (Experiment): Jacob

Ideas for visual displays for the booth: Jess

Assembling of materials for the booth Lisette

Booth set-up: Jess (5pm-7pm) and Lisette (5pm-7pm) (Jacob 6pm-7pm)

Clean-up: Jess, Lisette, and Jacob

Final paper: Lisette
