

Hey Tamas,

I came across Mésonsol and impressed by your unique way to make scents

So I thought the best way to increase its popularity it's to make some ads for your product, increasing your activity revenue and bringing a wave of new customers that prevents your business from going stall. Just as I previously did with other activities.

I am also sending you an example of what one of my ads would look like, so you have confirm of the value I could bring
