

Key Stage One Spring 2 newsletter

Welcome back! It has been wonderful to see the children return after the half term break with big smiles, fresh energy, and a real eagerness to learn.

They've settled straight back into routines, and we're already off to a fantastic start.

This half term is always a lively one. From new topics in class to creative projects, outdoor learning, and upcoming celebrations, there is plenty for the children to look forward to!

Reading and spelling

Please continue to send your children in with their reading book everyday. Please don't forget to sign your childrens' reading record once you've heard them read. We value your comments on how they're reading at home.

Year 2 will continue to receive new spellings every Friday to be tested the following Friday. We will continue to run our breakfast club phonics sessions at 830 every morning.

Maths

Our focus for this half term is our times tables, for year one this comes in the form of counting in 2s, 5s and 10s and then grouping objects accordingly. Year 2s need to become secure in those facts and begin to devise the related division facts.

English

Our Talk for Writing unit this half term is non fiction. We are going to be looking closely at explanation texts.

PE

Our Pe days will remain the same this half term, however, Thursday will be our session with Erika from NUFC, and Friday will be our indoor PE slot during which we will be completing a gymnastics unit.

No Outsiders

Our Year 1 focus is based around the beautiful story of Elmer by David McKee.

Year 2s focus story this half term is The great big book of families by Mary Hoffman and Ros Asquith

Kindest regards Mrs Webster, Miss Styles and Miss Glaister
