Dear Farmington Community,

We are very excited to welcome our community to Tiger Stadium for our home football games! We are expecting large crowds for the games so we wanted to make sure that we communicate our stadium expectations up front. We understand that football games are a social event, however, due to the expected large crowds over the next several weeks it is our hope to help alleviate any congestion so that all community members can enjoy the game. Please make sure to read the following if you plan on attending:

FHS Tiger Stadium Seating

Home Student Section Overflow

Farmington students that are not sitting in the student section will be in the designated area in between the stands and the family section (marked with the orange line in the picture above). Students in middle or elementary school that are not in the Student Section Overflow are to be seated with a parent or guardian in the stands (see video below).

Family Section

For those that wish to enjoy the game as a family please see the designated seating area that will allow you to do so. The area designated as the Family Section is reserved for families who intend to sit together and whose children will be under direct supervision for the duration of the game. Any student that is deemed to be unsupervised in this area will be asked to join a student section or the stands. Families are welcome to bring blankets and/or lawn chairs to use in this area.

As always, we will have a number of district staff on site for supervision to help communicate these expectations.

Fan Expectations

It is an expectation that middle school and elementary school students have a parent or guardian at the game and remain supervised throughout the night.

Please remember to be a positive fan; cheer for the Farmington Tigers and refrain from using negative or obscene language, gestures, or interactions with fans/players from the opposing team. It is all of our responsibility to ensure our venues are safe. If someone around you is not acting appropriately, please discourage them from continuing or involve a member of our ISD 192 staff.

Also, please take note of our general Tiger Stadium procedures:

- Visiting fans sit on the East side of the stadium; Tiger fans on the West
- Fans should not travel between the home and visiting side of the stadium
- **No outside food or beverage is allowed (Including reusable water bottles)**
- **No Backpacks or totes are allowed.**
- No MSHSL prohibited items (noisemakers, megaphones, flags, etc.)
- **No re-entry**; if you leave the stadium for any reason, you will be asked to purchase another ticket to return. After halftime there is no re-entry.
- Fans are not allowed on the field before or after the game
- Tailgating is allowed in the NW lot on the FHS campus from 4:30 - 7:00 pm
- No alcohol or tobacco on ISD 192 property, including e-cigarettes
- No open or closed fires
- No footballs, frisbees, inflatables, or other similar items allowed in the stadium
- No promotional or marketing activities unless pre-approved
- No sales of products, food, or beverage unless pre-approved

Thank you for supporting our student-athletes, coaches, and community by attending events at Farmington High School.

Parking

Parking will be at a premium on home contests so we highly encourage you to carpool with other families if possible. We ask that all drivers pay attention to our parking monitors and only park in designated parking areas. The north lot by the softball field is roped off for overflow parking. This is the only location where vehicles should be parked on the grass.
