VETERANS DAY PROGRAM

On Tuesday we will be hosting many veterans for our Veterans Day Program in the WCHS Gym beginning at 10:00 AM. We will begin dismissing classes at 9:40 AM. The band and choir students will most likely not report to class until after the program as they will have to set the gym and prepare for the event.

FLIGHT AWARDS

Our FLIGHT AWARD is a recognition program for employees where students, parents, community members, and other staff members can nominate an employee for a "Flight Award". If someone is doing an awesome job, take a few minutes to recognize them!
