Lincoln Award: Illinois Teen Readers' Choice

Steering Committee 2024-2025

The steering committee administers the award for [AISLE](#) by coordinating the efforts of Illinois school and public librarians who vet the hundreds of nominated titles to a semi-finalist list of 75. Next, the committee organizes a panel of adult and student volunteer readers who ultimately select titles for each year's master list. Once the master list is finalized, the steering committee also creates and publishes new promotional materials for Illinois teachers and librarians to launch their own programs.
