

## **Winters Joint Unified Food Services and Yolo County Food Bank Information**

Students, Staff, and Families: **A Breakfast Program is now at WHS!** WHS now has a breakfast service daily at no cost for all students. Thanks to our Food Services department for making this happen.

Students and Families: For the 2024-2025 school year, **school lunches are free for all students.** Lunch service is available to all students in our district this year at no charge. Please encourage your student(s) to get lunch from our cafeteria during our lunch period. For funding purposes we're asking all families to complete the food services application even if you know you don't qualify for free/reduced food service. More information HERE and application here: <https://secure.ezmealapp.com/ApplicationScreen.aspx>

Students, Staff, and Families: [Click Here](#) for more information for **Yolo Fresh Text - connecting families with local free food distributions.** Families may text the word ALMOND to 888777 and receive a text reminder the day before every free food distribution in Winters.

Students, Staff, and Families: Every Wednesday afternoon, the **Yolo County Food Bank** will use the student parking lot (north of the gym) to distribute food to families from 3:30pm - 5:30pm or as supplies last. Please move your car out of the student parking lot by that time.
