

# Haigh-Content Practice Websites

**\*\*These are our “go-to” websites for our students to practice with in our classrooms and at home~ Mr. Short\*\***

| CONTENT AREA(S)            | SITE NAME                                                                                               | LINK (you may need to create a free account or your student(s) should have a login in through clever or from last year’s teachers) Not all websites are ran through clever.                                                                                                                                                    |
