

Exporting a & Importing Vihar forms

Vihar System Management

Digambar Jain Wiki Project-
www.Digjainwiki.org

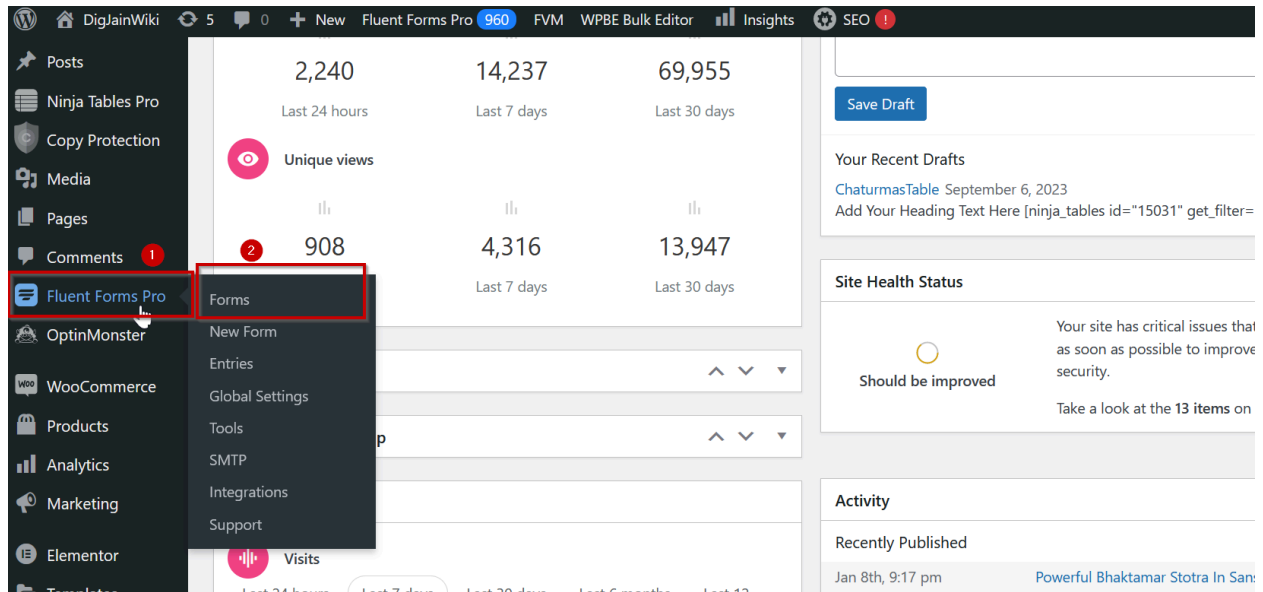

Document dated : 21-Jan-24

Contents

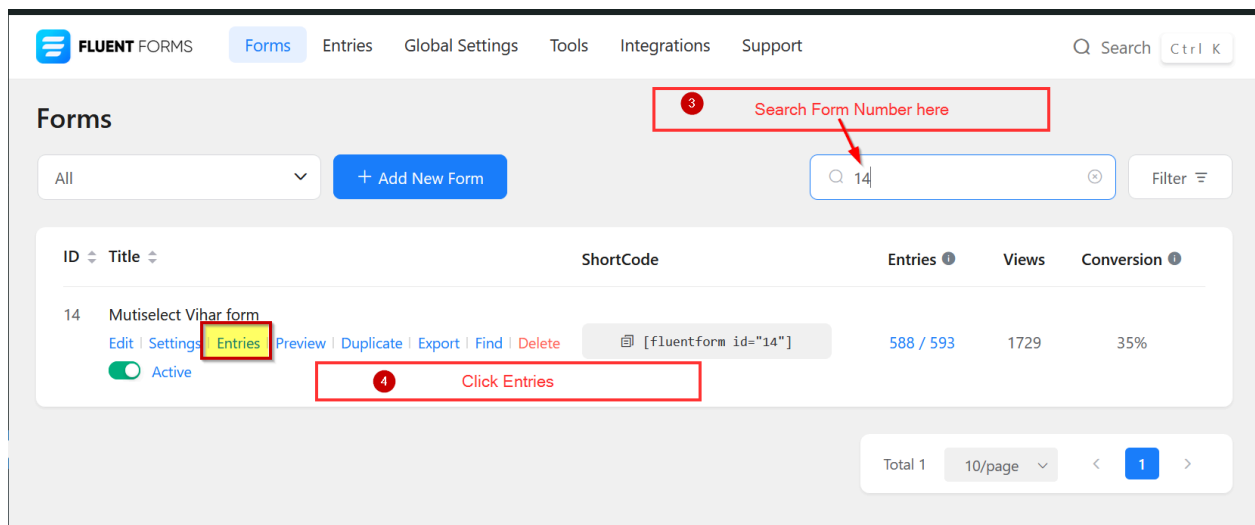

1. Requirement 1.1.1- D.....	3
D1 The UI which is available in the Admin dashboard should be maintained for front end users.....	3
D2. Front end users should be able to see Student List (Guru List) Menu and search and view functionality in read only mode without being able to login.....	3

1. Exporting Vihar Forms

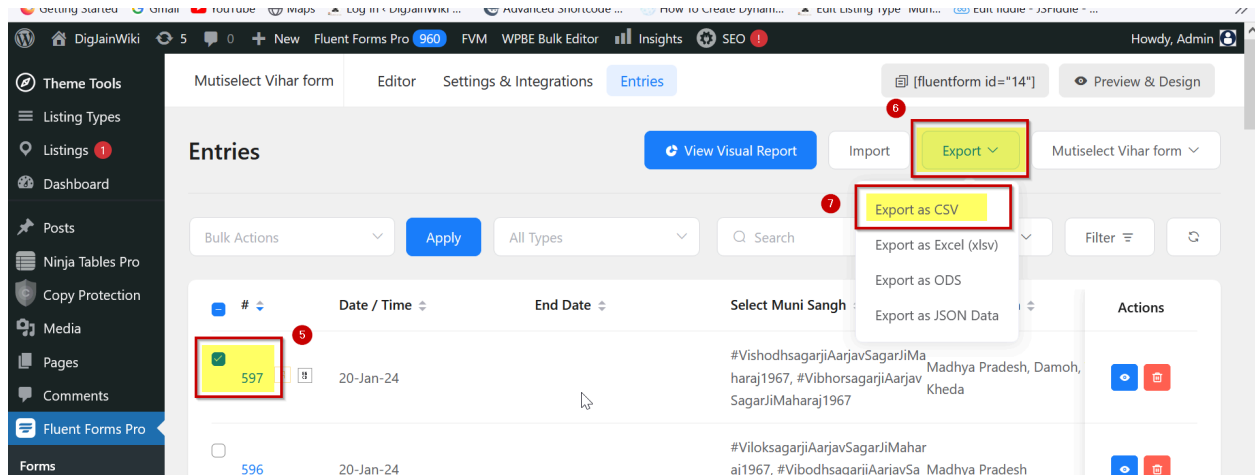

1. Navigate to fluent forms.

2. Search Form and once the form is found click Entries

3. Select the entry you want to export. You can select multiple entries. Then click export and export in CSV format.

4. Export selection

Select fields for export

☐ Check all

Form Inputs

- ☒ Date / Time
- ☒ Select Muni Sangh
- ☒ Location
- ☒ Name
- ☒ Email

Only Select this section for export

- ☒ End Date
- ☒ Select Location
- ☒ Message
- ☒ Phone/Mobile
- ☒ Djw member

Submission Info

- ☐ Submission ID
- ☐ Source URL
- ☐ Submitter Browser
- ☐ Submission Status
- ☐ Submission Admin View URL

8 Uncheck anything in this section for export

- ☐ Submission Serial Number
- ☐ User Id
- ☐ Submitter Device
- ☐ Submission Create Date
- ☐ IP

Cancel
