Bring Your Own Device: Keith Elementary School will continue to utilize a "BYOD - Bring Your Own Device" program for our 5th grade students. We would like to open this opportunity up for all of our 3-5 students for the 2023-2024 school year. It is not necessary for your child to have their own chrome book; however, when possible it is appreciated and helps our students have a 1:1 technology ratio. If your child will bring their own device for the 2023-2024 school year, please complete the [Keith BYOD Form](#).
