

List of Wanderlust Sex Scenes

Loss - Anal Eggancy

A scene for males and vaginally pregnant females. The PC is disrobed and teased, then anally penetrated. Includes support for male endowments, vaginal penetration if present, breast play if present, and oral penetration. **Status: approx. 50% done**

Loss - Vaginal Eggancy

A scene for females and herms with an unoccupied womb. Mostly same as above, multiple penetrations, breast support. **Status: Not Done**

Loss - No Vacancy

Plays when there is no viable orifice for the Wanderlust to impregnate. Results in slightly vindictive anal and oral penetration. Should feature prolonged orgasm denial. **Status: Not Done**

Win - Endurance - Consentacles

Plays when winning the 'right' way, again featuring multiple penetrations. PC can choose to host eggs or not. **Status: Not Done**

Win - Lust - Tease

Plays if the player somehow manages to net a lust win. The player teases the jelly and gets it to shoot its eggs out violently. **Status: Not Done**

Win - Lust - Tentacle Play Turnabout

Plays if the PC chooses to get penetrated after winning by lust. The Wanderlust pulls a turnabout and attempts anal eggancy. Needs an alt route in case the PC is already anally eggant. **Status: Done**

Submit - Consentacles

Plays if the player willingly submits before or during combat. PC gets vaginally or anally eggant on more friendly terms. Also needs alternate route in case PC is in a 'No Vacancy' situation. **Status: Not Done.**
