

# *Voilà /rules / Vent Map*

- *This map is respectful to everyone, so don't create problems or make fun of others. Those who are joining are because they have something important to express through animation.*
- *In this map you can put metaphors in creative ways (To not be so direct with such personal topics). Examples: Feathers, shadows, rain and things like that.*
- *2 parts per person. If you finish your parts I'll let you grab one more part.*
- *Watermarks are allowed (only those of the application).*
- *Follow the color palette.*
- *Your Codeword is the part you want the most and the one you want the least (for those who want 1 part) For those who want only two, write 2 groups of 2 parts, the group you want the most and the one you want the least.*
- *It's okay to leave the parts, but do it in advance.*
- *Ask with confidence.*
- *Express yourself with confidence on your part. I will not judge you.*
- *If you can send me a Google Drive link with your finished part, do so, so that it will be easier for me to download it.*
- *This map does not have Discord.*
- *You have 1 month to finish your part/s.*
- *If you follow offensive or harmful groups and try to join, I will have you banned from my future and past projects (because some follow this function).*
- *Don't be cruel to other people. All problems should not be underestimated.*
- *OCs are not allowed, only the one that represents you.*

## **Color Palette:**
